

The November issue of 'The Art of the Egg Shell' is going to print shortly.

Featured on the cover of issue 51, we are happy to include the pattern for Morag Flower's lovely nesting eggs!

Our featured artist is Agnes Martin from Germany. Her amazing work was exhibited in Leipzig this year, where I asked her to show me more and here it is!

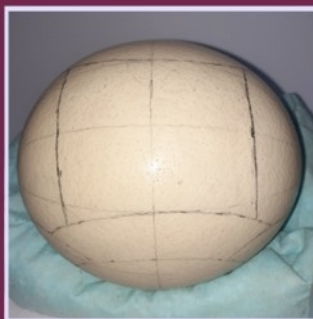

Susan Aldrich shows us how to create some super Christmas tree decorations and offers a special discount to our readers for a full tutorial.

We have a limited quantity of back issues available. Contact Linda for more information.

We have help with marking, patterns for Christmas, an unusual method of making flowers to embellish your eggs and so much more...

The following prices include p&p:

UK: £8.25 (2nd class post) EU: £10.50
ROW: £11.75 USA: USD \$15.50
