

RENEWING Your Membership

Forum Membership follows The Forum's fiscal year, which is **July 1 – June 30**. If you join at any other point during the year, your membership dues are prorated. If you are unsure what normal membership dues are we encourage you to visit our [Membership](#) page on The Forum website where all levels/dues are listed.

Membership Renewal aligns with The Forum's Annual Meeting. You will begin to get reminders from us about renewing in April. If you know you plan to renew, you can sign up for **autorenew** for a discounted rate in your **Member Dashboard** (more info on navigating the Member Dashboard in following pages).

Each year, we ask you to complete a **Member Survey**. This helps us ensure we are providing the best member experience possible.
