# The Forum of Executive Women

Your next keynote speaker, board advisor, or c-suite hire is a member of The Forum of Executive Women. So is the leader who just closed a landmark regional deal, launched a nonprofit organization, or is driving civic leadership across the institutions that shape Greater Philadelphia.

The Forum of Executive Women is where Philadelphia's most influential leaders connect and convene. Forum sponsors gain a branded presence within this network: visibility at our Signature Events, association with original thought leadership, and exposure to a dynamic network of over 650 executive women across every sector of the regional economy.

In 2027, The Forum celebrates 50 years — marking five decades of our enduring role in shaping leadership across Greater Philadelphia. Today, that role is more important than ever.

*The next 50 years of leadership start now. Will you join us?*
