

Launch of *Pride and Revelation: Stories from Charles Darwin Nursing Museum* authored by Janie Mason.

Written by Bev Phelts

The Historical Society's most recent publication was launched at the NT Library on 12 May 2022.

The book is about pride in the local nursing story and a sense of revelation and wonder expressed as these nursing stories emerge from the Charles Darwin University Nursing Museum. The stories are well illustrated with pictures of various artefacts held by the Museum. The Museum's collections are significant for the unique local story of nurses which is part of the Australian nursing heritage.

Besides celebrating nurses on Florence Nightingale's birthday, Janie book was launched by Jared Archibald, Curator of History, Museum and Art Gallery. Ninety invited guests attended the launch which included Luke Gosling, Member for Solomon, Lia Finocchiaro, Opposition Leader and Kezia Purick, Member for Goyder
