School improvement goals are in the works

Andy Craig is resigning from his position as the President of SCCS. He has a finance job lined up and plans to spend more time with family. A search committee is being formed to find his replacement. Qualifications to include an Education degree and they should have political contacts.

7. OLD BUSINESS

- a. H&S update - Day of Awesomeness will look different. The Gala will be our fundraiser this year. Spruce Up attendance was low, how can we get more volunteers.
This month is 4th/5th grade for room liaisons, then 2nd/3rd for March and food cart for April.
- b. CSW - Went well. Bingo was awesome. This was the first year that the teachers lost at Volleyball. Rock and Roll Bingo was great!
 - i. Cafe on Vine went well. Served 70 people. People were very thankful. Our food donation was enough for two full meals.
- c. Candy in classrooms - Principal will follow up on this
- d. Sunday Sports - Banning would have to come from the Bishop
- e. Real Choices - One board member attended the meeting - good content - they purposely do not put faith into it so they can teach it in public schools too.

8. NEW BUSINESS

Morning drop off - parents are dropping off on the church side of the street and near accidents are happening. Can we get a speed zone camera placed for a while?

Question on how many teachers are leaving SPS at the end of the year. We know of one and we have 3 applicants and we haven't even posted the opening yet. Will post before Spring Break.
