For those families who purchase a Memorial Register Package, **when the services are held in our chapel and authorized by the next of kin**, we will webcast the service in real time for anyone who can not attend at no additional fee. A recording of the webcast may be viewed for 30 days following the service and a memorial tribute of the service **may be purchased directly from the webcast provider**, available on your loved one Book of Memories which can be found at www.grahamfuneralhome.com

The following items will be added to the Statement of Funeral Goods and Services if applicable; Virginia sales tax for merchandise; cash advance items such as obituary, police, Virginia Medical Examiner fee, death certificates, honorariums, cemetery or church fees, etc.

The Federal Trade Commission Rule allows for you to purchase a casket or urn anywhere you choose. Certain funeral services may be provided off-premises by other funeral service providers. These services may include a discount and will be retained by Graham Funeral Home. We also partner with Tidewater Community College to allow students to participate with all aspects of preparation including embalming under the direct supervision of a licensed funeral director and embalmer.
