The Association may issue certificates evidencing membership.

1.2 **Shares: Votes.** Each member shall have an interest in the funds and assets of the Association as set out in the Declaration. Each Unit is assigned one vote, to be exercised as determined by the members who are the owners of that Unit. However, until the occurrence of certain events as described in Section 6.3 of the Declaration and as further described in Section 3.2 of these Bylaws, the developer of the Condominium shall have the right to elect a majority of the members of the Board.

ARTICLE II MEETINGS OF MEMBERSHIP

2.1 **Rules.** The meetings of the membership shall be held in accordance with the provisions of the Declaration and, subject to the Declaration, in accordance with these By-Laws. Except where in conflict with the Declaration, Roberts Rules of Order (as amended) shall govern the conduct of all membership meetings.

2.2 **Annual Meeting.** The annual meeting of the Association membership shall be held at the offices of the Association or at such other place in the state of Florida as shall be designated by the Board or the President of the Association. The initial annual meeting shall be held on August 15, 2003 and thereafter the annual meeting shall be held at a place and time determined by the Board, which shall ordinarily be at least 11 months but no later than 13 months since the previous annual meeting.

2.3 Special Meetings. Unless specifically provided otherwise in these Bylaws or in the Declaration, meetings of the membership shall be held when directed by the President or the Board or when requested in writing by members holding a majority of the votes having the right to vote at such meeting. The call for the meeting shall be issued by the secretary.

2.4 Notice. Notice of all members' meetings, regular or special, shall be given by the President, Vice President, or Secretary of the Association to each member unless waived in writing. Such notices, including an agenda, shall be mailed or delivered to each member not less than ten (10) days prior to the meeting, except in an emergency, in which case the Board shall give such notice as is reasonable under the circumstances.

In addition, except in an emergency, when such notice requirement shall be waived, written notice shall be posted at a conspicuous place on the Property not less than forty-eight (48) hours prior to any meeting.

If required by the Condominium Act, notice of the annual meeting, including an agenda, shall be given to each Unit Owner at least 14 continuous days prior to the annual meeting and shall be posted in a conspicuous place on the Property at least 14 days prior to the annual meeting.

2.5 Quorum. Voting at an Association meeting requires presence of 51% of the Members (in person or by proxy) to transact business. The Board may revise this percentage from time to time, but in no event shall the required percentage be less than 51%. If applicable law is changed to permit voting by telephone conference or any other fashion, such changes in the law shall automatically be incorporated into these Bylaws.

2.6. Proxies. The use of and form of proxies shall be as established in Florida Statutes Section 718.112(2)(b)2.

Except for those matters required by the Condominium Act to be voted upon at a meeting, any Owner may waive notice of a meeting or consent to the holding of a meeting without notice or consent to action taken without a meeting, by execution of a waiver or consent in writing. Such waiver or consent may be executed prior to, at, or subsequent to the meeting or Association action to which the waiver or consent relates.

2.8 Action without Meeting. If permitted by the Board, and except for those matters required by the Condominium Act to be voted upon at a meeting, the membership may approve any matter by written ballot without a meeting. Ballots shall be mailed or hand delivered to all Members. 3.3 First Election. Within seventy-five (75) days after the Owners other than the Developer become entitled to elect a member of the Board, the Association shall call a meeting of the Owners to elect a member of the Board. Notice shall be given not less than sixty (60) days before the meeting. The meeting may be called and notice given by any Owner if the Association fails to do so. At the meeting, such Owners shall elect the director which they are then entitled to elect, who shall replace one named by the Developer and who shall serve until the next regularly scheduled annual meeting of the Association, when a successor shall be elected as provided in the Bylaws.

Special meetings of the Board shall be held upon call by the President or a majority of the Board on not less than forty-eight (48) hours' notice in writing to each director, unless the Board determines an emergency to exist, in which event the Board shall give such notice as is reasonable under the circumstances. 3.11 Waiver. Any director may waive notice of a meeting or consent to the holding of a meeting without notice or consent to any action of the Board without a meeting. Such waiver or consent may be executed prior to, at, or subsequent to the meeting or Board action to which the waiver or consent relates.

3.12 Quorum. Voting at a Board meeting requires presence of at least one-half of the directors, in person or telephone conference. If applicable law is changed to permit voting by proxy or any other fashion, such changes in the law shall automatically be incorporated into these Bylaws. 9.3 Reserves. Unless waived by majority vote of the Members in accordance with the Condominium Act, the Association shall build up and maintain adequate reserves, which shall be included in the budget and collected as part of the annual General Assessment. If the reserves are inadequate for any reason, including nonpayment of any Member's assessment, the Board may at any time levy an emergency assessment in accordance with the provisions of Section 10.3 ("Special Assessment").

ARTICLE X COVENANTS FOR MAINTENANCE ASSESSMENTS

10.1 Obligation for Assessments. Each Unit is subject to Assessments by the Association for the improvement, maintenance and operation of the Condominium, including the management and administration of the Association and other Common Expenses as set forth in this Declaration. The Developer, for each Unit owned within the Condominium, hereby covenants, and each Owner of any Unit by acceptance of a deed or other transfer instrument, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association the following (to be known collectively as "Assessments"):

- (a) General Assessments for expenses included in the budget, and
- (b) Special Assessments for the purposes provided in this Declaration,

together with a late fee and interest, as established by the Board, and cost of collection when delinquent, including a reasonable attorney's fee whether or not suit is brought. Upon default in the payment of any one or more installments, the Board may accelerate the entire balance of such Assessment, which shall be declared due and payable in full. However, assessments may be accelerated not less frequently than quarterly unless a lien is recorded prior to the acceleration for the delinquent assessments. Such accelerated assessments shall include the amounts due for the remainder of the budget year in which the claim of lien was filed.

10.2 Developer Assessments. Notwithstanding anything herein to the contrary, Developer shall have the option in its sole discretion, to (i) pay assessments on the Units owned by it, or (ii) not pay assessments on some or all Units owned by it and in lieu thereof fund any resulting deficit in the Association's operating expenses not produced by assessments receivable from Owners other than Developer and any other income receivable by the Association. The deficit to be paid under option (iii), above, shall be the difference between (a) actual operating expenses of the Association (exclusive of capital improvement costs and reserves) and (b) the sum of all monies receivable by the Association {including, without limitation, assessments, interest, late charges, capital contributions, fines and incidental income} and any surplus carried forward from the preceding year(s). Developer may from time to time change the option under which Developer is making payments to the Association by written notice to such effect to the Association. When all Units within the Property are sold and conveyed to purchasers, neither Developer nor its affiliates shall have further liability of any kind to the Association for the payment of assessments, deficits or contributions.

10.3 Association Funds. The portion of all regular assessments collected by the Association for reserves for future expenses, and the entire amount of all Special and Capital Assessments, shall be held by the Association and may be invested in interest bearing accounts or in certificates of deposit or other like instruments or accounts available at banks or savings and loan institutions, the deposits of which are insured by an agency of the United States.

10.4 Working Capital Contribution. Each purchaser shall be required to make a one-time working capital contribution to the Association in the amount of three times the then applicable monthly installment of Assessments, which may be used for additional post development capital improvements

or services which were not included in the original budget categories and may be used by the Developer to fund the operating deficit.

10.5 General Assessments. The Board shall set the dates such assessments shall become due and may provide for collection of assessments monthly or, if allowed by statute, in quarterly, semiannual or annual installments.

10.6 Special Assessment. In addition to the General Assessment, the Board may levy in any fiscal year a Special Assessment applicable to that year and not more than the next four succeeding years as follows:

(a) Capital Improvements. Any substantial capital improvement which has been approved in accordance with Section 9.6 ("Capital Improvements") or any capital improvement not required to be approved by the Members may be paid by Special Assessment.

(b) Emergency Assessment. By a two-thirds (2/3) vote, the Board may impose a Special Assessment for any unusual or emergency maintenance or repair or other expense which this Declaration requires the Association to pay (including, after depletion of reserves, any unexpected expenditures not provided by the budget or unanticipated increases in the amounts budgeted). Such special assessment may be such expense for a limited common element.

10.7 Effect of Nonpayment of Assessment: Remedies

(a) Late Fees. Interest. Any Assessment not paid within five (5) days after the due date shall bear interest at the highest rate allowed by law or at such lower rate as determined by the Board, and may be subject to a late fee as determined from time to time by the Board.

(b) Personal Obligation. Any and all Assessments (whether General or Special), together with 'any late fee, interest and cost of collection when delinquent, including a reasonable attorney's fee whether or not suit is brought (collectively, the "Obligation") shall be the personal obligation of the person or entity who was the Owner of such Condominium Parcel at the time when the assessment was levied, and of each subsequent Owner. Each Owner of a Condominium Parcel, by acceptance of a deed or other transfer document, whether or not it shall be so expressed in such deed or transfer document, is deemed to covenant and agree to pay the Association the Assessments established or described in this Article.

(c) Creation of Lien. The Obligation shall be a continuing lien upon the Condominium Parcel against which the Obligation is made. This lien shall be in favor of the Association for the benefit of all Owners, which shall have all remedies available under the Condominium Act.

(d) Foreclosure of Lien. The Association may bring an action at law against the Owner or Owners personally obligated to pay the Obligation, or may foreclose the lien, or both. The Association, acting on behalf of the Owners, shall have the power to bid for any interest in any Condominium Parcel foreclosed at such foreclosure sale and to acquire, hold, lease, mortgage and convey the same.

(e) Owner's Acceptance. The Board shall obtain funds for such reconstruction first from the insurance or condemnation proceeds, then from reserves for the repair and replacement of such improvements, and then from any special assessments that may be necessary after exhaustion of insurance and reserves.

(c) Units. Funds to repair casualty or condemnation damage for which the individual Owner is responsible shall be disbursed directly to that Owner unless there is a mortgagee endorsement as to any part of the insurance proceeds, in which event such insurance proceeds shall be disbursed jointly to the Owner and the mortgagee. All such disbursements shall be received in trust for use in the repair and replacement of the damaged Unit.
