

## SOUTHERN INDIANA LEADERSHIP CAMP

**July 13 - July 15, 2026 — Indiana University Southeast**

### WHY FCA LEADERSHIP CAMP?

It seems that everything rises and falls on leadership. More and more we are seeing young people step up and make a difference for Jesus Christ on their teams and campuses. They are often hungry to learn how to be a servant-leader and how to reach their peers. When student-athletes understand how to become spiritual leaders, a campus revolution occurs. This camp focuses on teaching practical skills and spiritual disciplines for Christian growth and biblical leadership, equipping students to lead for Jesus Christ on their campuses and in their communities. You don't want to miss this!
