

Newsletter November 2025

Mrs. Amy Sharadin, Mrs. Hook & Mrs. C. Volume III

What a great month we have in store!

We will talk about gratitude and learn the importance of giving to others. We'll listen to stories about Pilgrims, Native Americans, and the first Thanksgiving. We will share some traditional Thanksgiving food and take note of all the seasonal changes around us. We hope to discover interesting facts about hibernating animals too. Another busy month!

We had a good time finding the perfect pumpkin from our pumpkin patch. What fun!

Our **Handwriting Without Tears** books will help us complete practice in writing numbers one to ten this month. We'll still continue to learn and practice capital letters in our workbook and throughout our curriculum. Practice writing letters every day with your child if you can! Especially their name.

Most of the children can recognize and correctly name the letters of the alphabet. We are working with a few that cannot. However, all the children need to be reminded often of the **correct formation**

of letters. Please keep the letter formation chart (given to you on POP night) handy for helping your child as they learn to write letters properly.

While reinforcing alphabet recognition with your child at home, why not talk about the *sound* of each letter too? This will only help them as they begin to read. They should exercise a proper (Three fingered) pencil grip too. Remember: **We start all letters and numbers at the top!** If you have questions about letter recognition, letter writing or pencil grip, please mention it to us and we will be happy to help.

If you would like to **donate food for a local Food Pantry** this month please send in non-perishable items to school with your child or drop off items in the box outside our room at pick-up time. Thanks in advance for your support. Last day to drop off 11/21.

A celebration of Thanksgiving sign up will be posted soon. If you'd like to help, please do!

Dates to Remember

November 5: Chapel 10:00 a.m.

November 7 & 21: First Step Sports and Yoga

November 18: Vision Screening provided by MCAB

November 19: *Bible Buddies:* A Trinity Church member will share a story from the Bible with the children in our classroom

November 25: Classroom Thanksgiving Celebration

November 26 - November 30: School closed

Coming in December: Coat drive: more details soon

We are grateful for your children...
