

April 2026----Mrs. C's 3s

## THINK SPRING!

We are looking forward to spring like weather! The rain will be wonderful, as we need it to make the grass green and the buds on the trees grow. But we request rain at night so we can feel the warm sun on our faces and the birds chirping when we head outdoors for recess. I hope you can get outside and enjoy the beautiful spring weather.

We are going to be very busy learning about caterpillars, butterflies, our earth and the last two letters of the alphabet this month. Our time in the 3s is going by so fast, I cannot believe the year is almost at an end.

### Things to know

Please make sure your children wear a Coat/Jacket every day, it is very windy up here in this wide-open space and we go out early in the morning, so it is still often chilly. We can always shed layers as it gets warmer!

Who wants to have fun with Mrs. C at summer camp? Don't forget to look at the weeks for summer camp 2026 and sign up soon. It's going to be so much FUN!
