

# Mrs. C's 3s February 2026 Classroom Times

Will the Groundhog predict early Spring, or will we have more of this cold winter weather? Either way we love to go outside to play! We had lots of indoor time this January but we will be making up for it every day we get a chance to enjoy the outdoors! The fresh air is wonderful and healing.

Thank you very much for making time to meet with me to discuss your child's progress during parent teacher conferences. I truly enjoy my days with the children ☺ It is great to observe each of them individually and realize all their wonderful traits and successes!

In February we will talk about Punxsutawney Phil, Presidents, Shapes, Colors, numbers and we will continue with the letter of the week. We will practice tracing, lacing and cutting. We will be celebrating the 100<sup>th</sup> day of school on Wednesday 2/11/26.

**Don't forget OPEN ENROLLMENT begins on February 20th for CURRENT FAMILIES for the 2026-2027 school year at TCNSK-look for new registration forms that will be sent home soon ☺**

*Your child will love the 4-year-old programs that TCNSK offers! Get your first pick today!*
