

February Classroom Times

Mrs. Cheryl Sharadin's MWF 4s 2026

It is hard to believe that we are already halfway through the year. We continue to make our way through the alphabet. The boys and girls have been busy practicing writing their letters. They also have been making their own alphabet book with creative pictures that coincide with the alphabet letter of the week. We have been singing many silly alphabet songs, which I am sure you have heard at home. We count throughout our day, and they have enjoyed working on their number book. They also have been playing a variety of counting games here at school 😊

Things We are Learning this Month

Letters - K, A, M

Number 10

The boys and girls will be exchanging Valentine's cards. (If your child would like to label their Valentine's cards, the class list is below so they can practice their writing skills).

We will be having a Valentine's Party. I will be posting a sign-up sheet for donations for treats.

Reminders

- Snacks must be peanut/tree nut free. Please pack a napkin for easier clean ups.
- Review weekly letters and numbers with your child at home. Have them practice writing their letters and their name.
- Continue to count with your child and practice writing numbers 1 through 10.
- Make sure your child has a warm jacket, hat and mittens for outdoor recess. We do try and get outside if the weather permits.
- Please send in winter change of clothes if you have not done so.
