

May 2026 Classroom Times

Mrs. Cheryl Sharadin's M-W-F 4s

It is hard to believe that it is the last month of school! It has been a joy to teach your child. I know for some this was their first school experience, and they did so well! They were always eager to start their day and to see their friends. I am thrilled with all the progress they have made this year, and they have bonded so nicely with their classmates. Many new friendships were forged. This time of year is always somewhat bittersweet for me. I will miss them but am excited for them as they move on to kindergarten in September. This also has been a very special year for me, in so many ways, since I will be retiring at the end of the school year. I have enjoyed many years of teaching at TCNSK. I look forward to traveling and will plan to still stay in touch and being a part of TCNSK through substitute teaching in the future.

Be sure to review letter recognition over the summer and practice letter writing, both uppercase/lowercase letters and counting. Be sure to read to your child each day. It's an important precursor to reading and comprehension. Don't forget TCNSK Discovery Summer Camp. It is another great way to stay in touch with their friends and have a lot of fun as well! Check the TCNSK website for camp weeks and with Mrs. B for week availability.

I hope you and your family have a wonderful summer. Thank you for all your support this year in so many ways!

Things We are Learning this Month

Letter and number review
Life cycle of a butterfly
Planting
Pond Life
Mother's Day

Upcoming Events

Last day of school is Wednesday, May 20th. Graduation Program at 11:30 am in the church sanctuary.
TCNSK Discovery Camp begins of June 1st and runs for six weeks.
