

Mrs. Elvidge's November 2026 Newsletter

***Welcome November*! The days are getting chilly! Please remember to replace your child's school change of clothes with a seasonal outfit. Also, if your child uses the change of clothes, please replace it on the next school day. Thank you!** **Please dress your child in a warm jacket, hat and mittens (all labeled with your child's name) on cold days! We do go outside unless it is rainy or simply too cold, under 32 degrees.**	**Please keep in mind…. As we introduce a new letter and number every Monday, to work with your child throughout the week at home, too. Have your child practice writing the letter and number of the week and review those that have already been introduced.**  **(I love it when a child shares with excitement, they have practiced writing numbers and letters at home! It can give your child a boost of confidence!) Remember to practice letter sounds too! Make sure you have your child write his/her name at home. Beginning this month, the children will be responsible for writing their own names on their work each day. (Only first letter in child's name is capitalized.) Any additional practice at home benefits your child. If we work together, your child will have an easier time learning this skill. Thank you for your help.**
 **Vision Screenings by Montgomery County Association for the Blind will be available for your child on Monday, November 16th. For your child to be screened you would need to return the Parent Participation form that will be sent home soon.**	 To celebrate Thanksgiving, as a class, we will be collecting non-perishable food and personal items to donate to a local FOOD PANTRY. Thank you for making this day of sharing special for the children and teaching them the importance of caring for others in need!
 We will make turkey cupcakes together for our Thanksgiving celebration on Monday, November 23rd. Please sign up to bring in an item for this fun event! Please remember, all items must be nut-free & produced in a nut-free facility.	**Please keep in mind, TCNSK will be closed 11/25-11/29. Enjoy this special time with your family!** **Happy Thanksgiving!** **We are thankful for our class see reverse for a list of your child's classmates…**
