Ms. Carmella & Ms. Susan MWF / Ms. Carmella & Ms. Kim T-Th - Threes ~ November 2025

What's Happening?

This month we will celebrate Fall's harvest while making special projects, Giving Thanks with personal Trees and turkey feathers plus finding the colors yellow and brown in Earth's bounty. We will also vote for our favorite animal to be our class mascot!

We will make special Kindness Rocks to surprise unsuspecting recipients. We will discuss sharing and caring for others who are less fortunate and work together to fill a Gift Box for children in need, please see the sign-up if you would like to participate. Thank you for your help.

Help From Home

1. Attached to this letter is a **turkey feather**, we would like you to decorate it with your child however you choose using photos, drawings, feathers, pompoms, stickers, glitter, etc. Be creative and just have fun! Please **return the feathers to school as soon as possible**, we will make a Big Thankful Turkey using everyone's feathers. Your child's feather will be returned.
2. We are making Thankful Trees...**please send 2 - 3 photos of your family / loved ones and a short list of people and things your child is thankful for plus a Small Empty Can (small soup can)**. We will construct the Trees on Nov. 13 & 14. I will cut the pictures to fit on the tree, and the tree will come home to you for Thanksgiving.
3. **I am asking for one canned food to be donated to the Local Food Pantry. Please send items by the morning of Nov 17 & 18.** I will deliver all food items to the Daily Bread Food Pantry.
