

Classroom Times February 2026

OLDER 2s CLASS MWF

February Happenings!

Groundhog Day is on Monday, February 2nd.

Send your child to school in their pajamas and sneakers for a day of fun!

This month we will be celebrating Valentine's Day by exchanging Valentine Cards with our friends and having a special treat at snack time. We have 13 friends in our class. So that the children can "deliver" their Valentines to their friends themselves, please leave the "To" portion of the card blank and simply put your child's name on the "From" portion.

Please watch for a sign-up sheet outside our classroom to donate to the party, thanks!

This month we will learn about Presidents, Dental Health & begin cutting paper with scissors
