

Classroom Times APRIL 2026 - OLDER 2s Class

Some things we are doing in April...

"One Sunday morning the warm sun came up and - pop! - out of the egg came a very tiny and very hungry caterpillar." Eric Carle

Spring will soon be springing up all around us! Caterpillars and butterflies are just two of the fun topics we will be covering in April! We will be learning how to take care of our caterpillars as they are due to arrive in each classroom the week of April 7th. We will also be learning about Earth Day and having 1 more class of 1st Step Sports this month. We hope to spend time outdoors on our playground and playing games on TCNSK's beautiful property. On that note, it's time to put the hats and mittens away...we will soon be sending home the mittens - thank you for letting us keep a pair at school!

SPRING PICTURE DAYS

Get those SMILES ready!

Our class will have pictures taken on Wednesday, April 22nd.
