November Classroom News for Older 2s

Hello November! This month begins with ***FOUR*** Birthdays! WOW! As a reminder, please do not send in cupcakes to celebrate your child's birthday. We will enjoy cupcakes for "special" holiday treats. We had so much FUN talking about Halloween, now we will talk all about THANKSGIVING, Turkeys, Community Helpers and the SENSE of TOUCH. Watch your home mailboxes mid-November as your child learns about the job of the mailman.

Vision Screenings will occur on Monday, November 16th – this is a very quick and easy process. Your child simply looks through a view-master-like device, and the operator will assess their eye function. You will receive a Parent Participation Form shortly…we hope all students will participate.

We are so very THANKFUL for our class FRIENDS

Austin, Franco, Jace, Makai, Miles, Perry, Lucy R., Lucy S.

Peyton, Sienna, Sunny, Ellis, Luca, Noah, Vinny

Things We are Learning in November

Color & Shape – Brown & Square

Move of the Month – Putting on our own coats

Place your coat on the floor, the hood touches your toes, bend down and put arms in holes, then flip coat over your head, magic! If we all practice together it is amazing how quickly the process is learned. Teachers start the zipper and child takes it to the top.

Upcoming Dates/Reminders

TCNSK Christmas Programs – **FRIDAY, 12/18** during the school day, Schedule TBD

Christmas/New Year 2027 Break – 12/21 – 1/3 – School resumes Monday, 1/4/27

*As the weather is getting cold, please check your child's "extra clothing" bag on their hook and exchange shorts and short-sleeve tops for pants and long-sleeve tops.

Please return your child's plastic bag with a winter hat and ***mittens*** to keep at school. You can find great mittens at the Dollar Tree 😊
