

## Ms. Michele's May Newsletter 2026

As we reach the end of a wonderful school year together, it's hard to believe how much the kids have grown! From the very first days of learning routines to now showing confidence, independence, and curiosity, it has been a joy to watch each child blossom. This year has been one to remember filled with so much laughter, discovery, and so many wonderful meaningful milestones. I am so incredibly proud of all they have accomplished. Thank you for sharing your children with me, they truly have a special place in my heart. I will miss them next year, but I know they will do great things in kindergarten.
