In the beginning God created the heavens and the earth. Let the water teem with living creatures, and let birds fly above the earth across the vault of the sky... Let us make mankind in our image, in our likeness, so that they may rule over the fish in the sea and the birds in the sky, over the livestock and all the wild animals, and over all the creatures that move along the ground.

Genesis 1:1, 20, 26.
