Scenes from the Country Fair

Thanks to all who contributed to a successful Country Fair. Together we baked, donated, shopped, planned, organized and volunteered and made the fair such fun. We had great attendance from the community who were there to enjoy the basket raffles, the food, petting zoo, fire truck, attic treasures, plants, books and handmade crafts. It was great to see children and families having a great time with us.

Thanks especially to the planning committee for planning and implementing a fun event this year---and every year!

- Please sign the **permission form**, located on the table in the narthex. This will allow your contact information to be available to other church members only. Although you may have previously signed a permission form at the

Congregational Meeting, please sign again. The original form has been misplaced.

- Going on vacation this summer? Bring back those little bottles of shampoo, lotion, etc. If you're buying travel size toothpaste to take along, buy a few extra. Going to the dentist? Ask if you can have a few extra toothbrushes and floss. We're making **Blessing Bags** again in the fall and all these items will be included. Bags will be given to folks who come to the Soup Kitchen.

Help our Pumpkin Patch Grow...One Little Seed at a Time!

There's something special about putting a tiny seed into the warm summer soil and watching it grow into a pumpkin. This July, the children of TCNSK Summer Camp will have the chance to experience that little bit of God's wonder for themselves--but we need a few helping hands to make it happen.

We're looking for volunteers to spend part of a day during **the week of July 13** to help our campers plant seeds in the pumpkin patch. No special gardening skills are required--just a willingness to get your hands a little dirty, share a smile, and encourage our young gardeners as they discover the joy of nurturing God's creation.

If you'd like to help plant pumpkin seeds---and memories that will last a lifetime--please contact Beth Barainyak or Becky Shadle for more information. Come grow with us!
