Our Community Partnerships

Introducing the Meaningful Day Program

Meaningful Day provides opportunities for KenCrest clients and residents to build relationships and participate in activities in the community. Trinity has now hosted two Meaningful Day activities and we plan to continue meeting on select Monday mornings at 10:30 am to play games and do simple crafts together.

"The KenCrest staff are truly dedicated to the happiness and well-being of the individuals they serve and their compassion truly shines through. I feel very fortunate to be part of this wonderful partnership. It's a chance to share friendship, laughter, and meaningful experiences with some very special people. I look forward to many more visits, lots of smiles and continued fun with friends from KenCrest!" ---Nancy Klein

"It has been a joy to meet with the folks from KenCrest. The clients are kind and caring. I received more hugs this past Monday than in the past year! It is an ecumenical experience with people of different faiths joining in a ministry to people that are not always welcome into social groups. Trinity is truly providing a safe space for socialization and purpose for these special people." ---Elaine Gross

This week our Trinity members helped the KenCrest folks to make Thanksgiving placemats for the Meals on Wheels program.

These Angel Tree tags were made by the KenCrest folks with help from Trinity members. Look for them on the Angel tree in the narthex!

Angel Tree season is back! This year we have wishes for 16 children: preschool students from **KenCrest** early learning centers and their siblings. Tags are available outside the office

At our November meeting, the Craftivism group made 90 tree ornaments for the children and staff of TCNSK. Jan Contino once again designed the beautiful ornament. **Please note: the group will NOT meet in December.**

As a lovely bonus, the tags were festively decorated by adult KenCrest residents at a Meaningful Day event we hosted a couple weeks ago.
