MASS MINUTES

By Deacon Ed

he homily, given by the priest or deacon, is a lesson usually based on the scriptures of the day but may be about anything in the Mass. It takes time to come up with a homily that will give people something to think about. A rule of thumb used by our protestant brothers and sisters is an hour of preparation for each minute speaking, but our instructor in formation said that he probably spends about 30 hours a week preparing, including all the times he thinks about it while sitting at a stop light, ect. Most important, though, is to remember that the homily is not the most important part of the Mass. Jesus himself, the Christ coming to us, good homily or not!

FEAST of CHRIST the KING

Today as we celebrate Christ the King, may we open the door of our heart so wide that we may listen to the voice of Jesus calling us to help build his kingdom here on earth. Our conference here at St. Joseph is working with other conferences throughout the Green Bay Diocese to provide relief for the many homeless children we are all encountering. We are collecting children's winter HATS, MITTENS, JACKETS & BOOTS. Items being donated can be placed in the basket at the entrance of Church or if a pickup is needed call Denis McCarthy at 715-212-1190. "Children are our most valuable resource." (President Herbert Hoover) On behalf of the conference and our "friends in need", thank you for continues support and generosity. You all remain in our prayers. "In serving the poor we serve Jesus Christ." (St. Vincent de Paul)
