DEDICATION

"People of God" is dedicated to Heather, a special friend to our Watermead Apostolate.
A few weeks before she died, Heather heard this music and read the words of the lyrics being worked on.

She had never belonged to any church but had, since childhood, admired the God who gave his son to the world.
She asked if she could complete the lyrics so that they reflected the God she had come to know as a child.
This Heather did, leaving us the gift of a hymn that speaks quite simply about the God of love known to all peoples.
