

FROM SPLOTT TO ETERNITY

Fr John Daley IC

PUBLICATION DATE 19th May 2026

Published by Watermead Publishing Ltd

In mid November of 2023, just before his final admission into hospital, Fr John edited the typed pages of the finished layout for this book ready for publishing. These pages (and several backups) have travelled safely through our various moves to our present location. The final work (necessary updates, design, artwork, and proof-reading) has been completed and the finished book is now at the printers to be made available through our websites and at the book launch.
