#### **REGULAR AGENDA**

- F. OLD BUSINESS CONTINUED
- 3) Airport Update no report
- 4) Tourism and Prosperity Partnership (TAPP) report Andrew Sandstrom reported that winter marketing kicked off last week and that overall, winter is pacing slightly ahead of last year.

#### 5) Air Service Update

Bill Tomcich informed the board that he met with United Network Planning yesterday and that they talked specifically about the Gunnison Flight Program, and that they are very pleased, and in fact, they want to plan on a future visit here for one of these meetings. Tomcich updated the board on the winter schedule and said that GUC is back down to two flights a day, through the rest of November. After December 18th, we will be back to 3 flights a day from Denver and daily service from Houston. He also reported that we are going to have an opportunity to utilize some of the SCASD funds by repurposing this grant that was intended for summer DFW service and applying it towards the Chicago flight in the winter. Tomcich said that we now have a total of 22 round-trip flights scheduled for this winter on 11 weekends, so that's Fridays and Saturdays

inbound, returning on Saturdays and Sundays. Bill also reported that there are only a total of 24 Airbus 319s that have special performance modifications, including special engines, and that many are coming up for maintenance this year. Because of this, unfortunately, they're going to be forced to down-gauge the Gunnison service for 2019 to twice-daily flights on a CRJ700 aircraft. This is an unfortunate step backwards in potential reliability, and there will be a reduction in capacity during the holidays.

#### 6) Executive Director's report

Scott Truex updated the board on some changes to the on-transit alerts. He also introduced Steve Anderson as the new chief mechanic in Gunnison. The new website will be live next week. Truex reported that since we will be increasing the size of our diesel fleet, we are looking into the possibility of putting a diesel fueling station on our property across the alley from our maintenance facility. He will bring the board a proposal to consider at a future meeting.

#### 7) Facility at 301 W. Tomichi Avenue

Truex followed up with the GVRTA's attorney regarding our protection in the event of an underestimate of costs and learned that we are covered, in that the architect would be required to redesign the project if we wanted them to do that. Truex is still waiting on a grant contract from CDOT. There was a discussion about the lack of communication and the time it takes for CDOT to grant contracts.

- 8) Update on proposed amendments to the initial GVRTA Intergovernmental Agreement. Scott Truex reported that we are working through comments. Truex hopes to be able to send a new IGA to all of the jurisdictions for adoption shortly.
- 9) Update on changing the form of meeting minutes from written minutes to using a recording of the meeting.

This new form of keeping minutes will include time stamps (with background information), action items, and general minutes with audio. If this is the direction that the board would like to take, the board will be presented with a resolution at the next meeting.

10) Update on contract with CDOT for second daily Bustang Outrider service between Crested Butte and Denver

Truex received a draft scope of work for this contract late last week, and he had and still has many questions for CDOT. This board had committed \$71k in this year's budget, and were planning to budget about \$107k next year for the second Denver bus; however, the contract came in at \$286k per year. When questioned as to how they came to this number, CDOT said that it was because it is 1/8th of the cost of running both round-trips. Truex reported that we won't get a contract fully executed in 2025, so we likely won't be responsible for any costs this year. Since we were sharing the costs with Chaffee County, Truex has asked CDOT to confirm if Chaffee County is still on board for the higher costs. The board decided that the best way to move forward is to ask for a meeting with the original group (including Chaffee County and the director of the DTR) to make sure we are all on the same page and to discuss how to resolve these issues and get to a contract. Truex has also been asked by the board to seek out detailed

information about cost, ridership, and Bustang's plan for the reservation system. There was also discussion of the GVRTA looking into funding and running their own bus service to and from Montrose and potentially pooling resources with other community entities.

- G. Public Comment There was no public comment
- H. Comments from Board & Staff There were no Board or staff comments
- I. New Business
- 1) Update on Bus purchases and the impact of tariffs on bus pricing Truex reported to the board that the additional costs will be fairly small (adding about 0.6% to the cost of each bus for this year.
- 2) Request for bus route change in Gunnison moving the route from Georgia Avenue to Virginia Avenue between Teller St. and Colorado St.

Truex informed the board that there has been a request made from some of the bus drivers who note that Georgia Avenue is narrower than Virginia Avenue and that it can be difficult to make the turn in the winter when cars are parked on the north side of Georgia. Truex reached out to City staff, and they will likely have traffic data to share with us next month. They don't oppose the route change, but they do recommend a public process before making a change.

3) Discussion regarding a possible MOU with Gunnison County for the GVRTA to provide aid and assistance to Gunnison County in the event of an emergency or disaster

Truex will reach out to Mathew Birnie to discuss this possible MOU.

#### 4) GVRTA Draft 2026 Budget and Budget Assumptions

Truex presented some of the highlights, including that he feels it is a conservative budget, that it includes the purchase of four new, larger buses and two smaller buses. This plan also includes the build of the enhanced bus stop and the MRG for Houston and Chicago. This budget also includes \$450,000 for senior services, a 41-trip free bus schedule in the winter, and 33 trips during the rest of the year. It also includes a contribution of \$50,000 to the county-led LA-135 corridor project, planning project. He reported that total revenues are budgeted at \$11.46 million, and expenses at \$12.26 million, so it will drop our cash reserves by about \$800,000, but we would also increase our capital assets by about \$5.6 million. The board discussed that budgeting funds should be set aside for planning for the Brush Creek Intercept lot.

#### 5) 2026 – 2030 Draft GVRTA Five-year Financial Plan 9:35

Truex went over some of the highlights that included increasing round-trip bus service in 2027m upgrading the last two bus stops in Gunnison, and adding a bus stop in CB South. Truex also talked about purchasing buses to replace our current fleet over time, which is highly grant-

dependent. He noted that there is a \$500k placeholder in this plan to improve a possible park and ride at Brush Creek in 2028.

6) Executive session to discuss contract negotiations with Truex Management Services

At this point Steve Morris moved and Diego Plata seconded a motion that this meeting of Board of the Gunnison Valley Transportation Authority adjourn and, upon affirmative vote of two-thirds of the members present, reconvene in executive session for the sole purpose of determining positions relative to matters that may be subject to negotiations; developing strategy for negotiations; and instructing negotiators as authorized by CRS 24-6-402(4)(e) for the purpose of discussion and negotiations with Truex Management Services for the services of Scott Truex. The motion passed 7-1 with Fenerty voting no.

Matt Schwartz stated the following: "This Executive Session is not open to the public, and action may not be taken. It is Friday, September 26th, and the time is 9:43 a.m.

For the record, I am the presiding officer, Matt Schwartz, Board Chair. Present at this Executive Session are the RTA board members in attendance and the following persons: Scott Truex and Kathy Fogo. If, at any point in the Executive Session, any participant believes the discussion is going outside the proper scope of the Executive Session, please interrupt the discussion and make an objection for the record."

The board moved into executive session at 9:46 a.m.

#### The executive session was concluded at 10:27 a.m.

Matt Schwartz stated that "For the record, if any person who participated in the Executive Session believes that any substantial discussion of any matters not included in the motion to go into Executive Session occurred during the Executive Session or that any improper action occurred during the Executive Session in violation of the Open Meetings Law, I would ask that you state your concerns for the record." No concerns were stated.

7) Authorization for the Board Chair to sign a contract with Truex Management Services, Inc. to provide management services for the GVRTA beginning January 1, 2026. No action was taken during the Executive Session.

No action was taken

The meeting adjourned at 10:28 am

#### Automobile emissions vs. GVRTA bus emissions:

4.13 automobile trips create the same amount of CO2 as the average GVRTA bus trip.

One car trip creates the same amount of NOx as 3.63 average GVRTA bus trips.

The RTA averaged 15.2 passengers per bus in this time period.

#### **Notes for Calculations:**

Each one way trip by bus creates approximately 53.327 Kg of CO2 emissions and 0.0538 Kg of NOx emissions. Each one-way trip by automobile creates aproximately 12.927 Kg of CO2 emissions and 0.1950 Kg of NOx emissions.

#### Notes & Assumptions:

RNG = Renewable or Recaptured Compressed Natural Gas (CNG)

GGE = Gasoline Gallon Equivalents (One GGE = 1.25 Therms of CNG)

One GGE of RNG used creates approximately 6.625 Kg of CO2 emissions and 0.001035 Kg of NOx emissions.

One Gallon of Diesel fuel used creates approximately 10.18 Kg of CO2 emissions and 0.0446 Kg of NOx emissions.

A gasoline powered automobile traveling 32 miles creates approximately 12.927 Kg of CO2 and 0.195 Kg of NOx per trip (assuming average of 22 MPG.) The GVRTA purchases RNG credits which allows us to use methane from various sources such as landfills, wastewater treatment, food and animal waste

The GVRTA purchases RNG credits which allows us to use methane from various sources such as landfills, wastewater treatment, food and animal waste as well as methane that otherwise would have been vented into the atmosphere.

According to the UN, over a 20-year period, Methane released into the atmosphere without being used is 80 times more potent in terms of causing warming than carbon dioxide.

Each GGE of CNG contains 1.9872 Kg of methane.

By purchasing renewable methane credits, the GVRTA prevents the gas from beign released into the atmosphere thereby reducing methane emissions.

#### **Executive Director's Report**

November 7, 2025 Board Meeting Packet

#### **Bus Operations Report:**

- Ridership in September was up 1.8%.
- We completed 99.2% of our trips and the on-time performance was excellent with 88% of trips within 5 minutes of schedule and 96% within ten minutes. We only missed eight round-trips in September.

#### Grant updates:

- As previously reported, we have been awarded \$378,019 in 2026 Section 5311 operating grant funds and we should receive a grant contract sometime this fall.
- I've worked with Craig Secrest at the Clean Transit Enterprise Fund and he has been able to award us an advance on our 2027 funds of \$286k which will allow us to purchase all three of our smaller, 30 passenger buses in 2026. We were previously awarded \$455,000, so we will now receive \$731k for the buses which should cover about 72% of the cost. I plan to work with Colorado Mountain Purchasing Consortium (CMPC) towards purchasing the three new smaller buses.
- We will have to wait until the government shutdown is resolved before we will hear about our application for two more expansion buses from FY2026 CDS.
- We are also waiting to hear if we will be awarded an FTA Section 5339(a) grant to replace bus #506.
- CDOT's next capital call for projects has been released and I will apply for a replacement bus in that round of funding before the deadline of December 4<sup>th</sup>.

#### Other Items:

- August sales tax was essentially flat compared to last year.
- Year-to-date sales tax revenues are up 5.4% vs last year and 2.3% above budget.
- We've transitioned to Swiftly for posting alerts to the Transit app and we think the bugs have been worked out... the fall was a good time to make the transition! Thanks to Mike for his work to get this accomplished.
- Mike has been working with Ken Barbour (Thumper) to get all of the bus stop lighting working properly before the winter season and has also improved the trash can situation by hiring a local welder to reweld the lid attachments.
- Ann Beauvais has inspected our buses in Winnipeg and Pembina and reports that she is very impressed with the factory and the manufacturing processes. She had no negative news to report.

- The new website is up and running and it looks great! Thanks to Leia for her work on this.
- At this moment, all of our buses are in service, though we do have an issue with some performance issues on #503 which has been a bit confounding. Steve and his crew are working to determine the root cause.
- The costs of creating our own diesel fueling station is estimated to be in the \$350k range when we include all of the engineering costs associated with the project. We are not recommending moving forward with this project right now, but we would like to do more research and consider this as a project in 2027.
- Lastly, I wanted to let you know that the Master Agreement for federal grant contracts
  has been amended and now includes that the "Recipient will cooperate with Federal
  officials in the enforcement of Federal law, including cooperating with and not impeding
  U.S. Immigration and Customs Enforcement (ICE) and other Federal offices and
  components of the Department of Homeland Security in the enforcement of Federal
  immigration law."

November 7, 2025 Board Meeting Packet To: GVRTA Board of Directors From Scott Truex, Executive Director

Re: Request for bus route change in Gunnison

#### Board Members,

We have received a request from Destination Systems to consider modifying the route. They are requesting a change to make the left-hand turn from Teller St. on E. Virginia Ave. instead of on E. Georgia Ave. to get from Teller to Colorado Street.

Currently, the bus follows this route:

The request is to change to this route:

The route was originally set up the way it is because there is a four-way stop on the corner of Colorado and Georgia so we thought it would be a safer route. However, there are times (particularly in the winter) when the turn onto Georgia from Teller can get very tight and some drivers have requested that we amend the route to turn left onto Virgina which is wider.

We did discuss this during our planning process last year, and the RTA operating plan includes the following:

Currently, the bus route through Gunnison includes a left turn from Teller Street to Georgia Avenue before turning right onto Colorado Street. This left turn can be difficult to make due to the narrow street configuration. GVRTA should consider making the left turn one block earlier at the wider Virginia Avenue. There are multiple traffic implications that need to be further studied for feasibility of this routing change:

- Collecting 24-hour traffic counts and speed data to understand traffic flow through the Virginia Avenue and Colorado Street intersection, and the impacts of a four-way stop instead of the current two-way stop.
- Considering the traffic safety impacts:

o Ensuring the sight distances are appropriate with no landscaping or foliage blocking the view for bus drivers or intersecting vehicles.

o Evaluating the implications of having a bus stopping at a two-way stop intersection (Virigina Avenue and Colorado Street) compared to a four-way stop intersection. Note: the current routing through Georgia Avenue and Colorado Street ensures the bus stops at a four-way stop and has clear right-of-way.

o The reduced reaction time for a vehicle turning off Tomichi Avenue (Highway 50) in the case a bus is turning onto Colorado Street. Currently the route turns onto Colorado Street two blocks north of Tomichi Avenue, but in the routing change, this would occur one block north of Tomichi Avenue.

We reached out to city staff to see if they have any data on these intersections and/or if they would like to study (or have us study) the idea or comment on it before we make any decisions. They responded formally – please see the response on the next page.

We also posted flyers on the doors of the buildings on the blocks impacted by the change letting the residents and businesses know about this meeting.

The staff requests direction from the Board of Directors on how you would like us to handle this request to change the route.

I look forward to our discussion and please let me know if you have any questions.

RE: Request for Route Change

Mr. Truex and the RTA Board,

Thank you for reaching out through the city traffic calming website and submitting an inquiry.

The City of Gunnison received your request to alter the route for the RTA commuter bus service to utilize one block of E Virginia Ave instead of one block of E Georgia Ave. Based upon the City of Gunnison 2030 Comprehensive Plan, the street classification of the proposed route matches the street classification of the existing route. Therefore, the Public Works Department supports the proposed change and requests that the RTA conduct outreach to the neighbors along the new route prior to implementing the change.

Thank you for your time,

Carly McGowan, P.E.

City Engineer 1100 W Virginia Ave Gunnison, CO 81230

## NOTICE OF MEETING WHICH MAY RESULT IN A CHANGE TO THE RTA BUS ROUTE

Notice to the Residents and Businesses of Georgia Avenue, Virginia Avenue between Colorado Street and Teller Street and the Residents and Businesses of Colorado Street and Teller Street between Georgia Avenue and Virginia Avenue,

The Gunnison Valley RTA has received a request to consider modifying our commuter bus route. The request is to change the route to make the left-hand turn from Teller St. on E. Virginia Ave. instead of on E. Georgia Ave. to get from Teller to Colorado Street.

Currently, the bus follows this route:

The request is to change to this route:

The request is being considered because there are times (particularly in the winter) when the turn onto Georgia from Teller can get very tight and the left turn onto Virgina is wider and therefore easier to maneuver the bus through.

This request will be considered at the November 7<sup>th</sup> meeting of the Gunnison Valley RTA Board of Directors. The meeting will take place at 8:00 a.m. in the Gunnison County Courthouse located at 200 E. Virginia Avenue upstairs in the Commissioners' meeting room on November 7<sup>th</sup>.

The meeting is open to the public and public comment will be heard. If you would prefer to submit your comments via email, please send them to <a href="mailto:struex@gunnisonvalleyrta.org">struex@gunnisonvalleyrta.org</a>.

November 7, 2025 Board Meeting Packet To: GVRTA Board of Directors

From Scott Truex, Executive Director Re: Facility at 301 W. Tomichi Avenue

#### Board Members,

As you know we have been waiting for CDOT to send us a grant contract for the \$1,000,000 in State funding to fund our new facility next to the Safeway. Recently, I did receive a contract. However, there was a problem with it. The proposed contract contained old information in the scope of work which required me to send an immediate request to amend the contract. I have been assured that they will expedite this request, but as of this packet I have not received a new contract.

The good news is that once we get the contract, we are ready to move forward with the RFQ to select an architect. The RFQ will take about two months from the time of publication to the time of selecting a contractor and then we should be able to move quickly to design.

Due to the delay, I've moved all costs for this project to the 2026 budget.

Please let me know if you have any questions.

Re: GVRTA Intergovernmental Agreement (IGA) Update

#### Board Members,

We have sent the final version of the amended and restated IGA along to the three municipalities and the County for adoption. The City of Gunnison has adopted the IGA and it is likely that the other entities will do so before the November Board meeting.

We should be able to formally amend our bylaws as we have previously discussed at the December meeting.

Please let me know if you have any questions.

Re: Update on contract with CDOT for second daily Bustang
Outrider service between Crested Butte and Denver

Board Members,

After further discussions with CDOT this week, they have now proposed that the RTA and Chaffee County each contribute \$143,085 to cover 50% of the losses for the second trip between Crested Butte and Denver.

Since our last meeting, we've spoken to representatives from Chaffee County about this request and we will have a follow up meeting with them next week. Leia and I will update you on our discussions at the board meeting.

At our September Board Meeting, you requested data about the Denver bus service and I obtained the information on both ridership and costs for 2024 and 2025.

Re: Changing the form of meeting minutes

#### Board Members,

After several months of testing the transition to audio minutes, Leia and I have reviewed the pros and cons of changing the current format. Based on our findings, we recommend that the RTA reconsider this change and continue using written minutes.

Because the RTA meets in three different locations, capturing consistently clear recordings has proven difficult. Leia has also identified additional challenges that she can discuss with you at the meeting.

We propose that we continue using our current written minutes format and improve them by including links to the Zoom meeting recordings, and by adding a time stamp for each agenda item in the minutes.

This approach would allow anyone to easily locate discussions while ensuring that our minutes remain consistent and compliant with requirements.

Leia and I look forward to discussing this with you at the meeting.

Please let me know if you have any questions.

Re: Request from UGRWCD for approval of bus window art

#### Board Members,

We received the attached artwork for your consideration to be placed on three of our buses. It's been a while since we've had one of these requests, therefore, I've also included our policy for advertising on bus windows for easy reference.

I believe that this request complies with our policy and Sue Uerling will be at the meeting in case you have any questions.

# WATER YOU WAITING FOR? CONSERVE!

## GUNNISON VALLEY TRANSPORTATION AUTHORITY (GVRTA) POLICY REGARDING ADVERTISEMENTS ON BUSES

The Gunnison Valley Transportation Authority (GVRTA) desires to utilize its fleet of buses to promote valley-wide interests as expressed through governmental entities within its jurisdiction, including WSCU, and local non-profit entities. To achieve this goal, the GVRTA authorizes signs to be placed on the exterior of its bus windows under the following conditions:

- 1. The governmental or non-profit entity must make a presentation to the Board and obtain Board approval for the proposed signage. Such approval shall be valid for up to three years.
- 2. The sign(s) must be made of perforated vinyl designed to be see-through from the interior of the bus.
- 3. The sign(s) must be provided by and paid for by the entity desiring to advertise.
- 4. Each sign must fit within each side window of a bus and entirely cover the window.
- 5. Sign(s) must be applied by a professional installer and removed by entity staff under the direction of Alpine Express no later than three years after approval (unless an extension is granted by the Board).

After the adoption of this policy, the following guidelines may apply:

- 1. WSCU may advertise in all appropriate windows on the right side of 1 bus;
- 2. Other governmental entities and non-profit entities may advertise in one window of up to three of the remaining buses as available.
- 3. Signs will be placed only on the right (passenger) side windows of the buses.
- 4. There are six windows available for advertising on each bus and windows will be available on a first come, first serve basis. If more entities desire to advertise than there is space available, then a waiting list will be created.

Re: Planning for possible future bus service to Montrose

#### Board Members,

After our discussion last meeting, we contacted several colleagues to brainstorm possible funding sources for a future bus service between Montrose and Gunnison. I anticipate that running a small bus twice daily for a year would cost about \$300k in operations.

At the moment, there are not a lot of options available for funding. Representatives from Gunnison County and San Miguel County who work with the Southwest Colorado Opioid Regional Council both suggested the possibility of applying for funding from the Opioid Abatement Council. However, since we want the service to be open to the general public, this funding source may prove to be limited. We are meeting again next week to discuss the idea more thoroughly and we will update you at the meeting.

Since we were meeting with CDOT regarding the second Denver bus, we did bring up this subject and they have not shut the door on the idea of helping to provide this service. We will continue discussions with CDOT and other potential partners looking for ways to fund the operational expenses for a future bus service between Gunnison and Montrose.

Please let me know if you have any questions.

Re: Request from Gunnison County to fund bus stops at Brush Creek

#### Board Members,

We received the attached letter from Gunnison County requesting that we fund the local match for the costs of moving and rebuilding the bus stops as part of the Brush Creek Roundabout improvements project. The request is for \$85,200 of the total cost of \$426,000. This represents the local match of 20% of the capital costs.

This project will be integrated into the overall roundabout project that will include an underpass for pedestrians to safely walk between the Whetstone Village and the RTA bus stops.

I recommend that the Board approve the request and have taken the liberty to include it in the 2026 budget which is up for adoption later in the meeting in case you decide to do so.

Please let me know if you have any questions.

Gunnison Valley Regional Transportation Authority Board of Directors

Re: Brush Creek Roundabout Funding

Dear RTA Board of Directors,

As you know, the Brush Creek Roundabout project represents a transformative step forward in the safety, efficiency, and connectivity of the Highway 135 corridor. This project is critical to traffic flow in this area, especially once the 252-unit Whetstone Village development is completed. In addition, the Brush Creek roundabout directly enhances the Gunnison Valley RTA system, as this project will deliver two new, fully integrated bus stops that dramatically improve rider safety, comfort, and access at what will become one of the RTA's most heavily used locations. We appreciate the RTA's consideration of contributing financially to this multi-agency coordinated effort, as this will help ensure that the new infrastructure fully supports the valley's transit system, both now and as our communities continue to grow.

As your board discusses your participation in this project, below are a few key points to consider:

#### **Enhancement to Safety and Transit Access:**

The roundabout design includes **northbound and southbound RTA bus stops on Highway 135**, complete with dedicated pullouts, ADA-accessible boarding areas, and solar-lit shelters. With the roundabout reducing travel speeds from 55 mph to roughly 20 mph, riders will benefit from a far safer environment for boarding and off-loading. These stops will serve not only current users but also future residents of the Whetstone Village workforce housing development — a major population hub immediately adjacent to the site.

#### **Strengthening Regional Mobility:**

The roundabout project is a cornerstone of the Valley's regional mobility and sustainability goals. By providing convenient, safe, and well-designed bus stops, we are encouraging more residents and employees to choose public transit over private vehicles. Integrating these bus stops within the roundabout also transforms a traditional highway improvement into a **true multimodal transportation hub** that supports cars, buses, cyclists, and pedestrians alike.

#### **Cost Efficiency Through Partnership:**

Constructing the bus stops alongside the roundabout **now** is significantly more cost-effective than retrofitting later. This shared timing allows the County and RTA to leverage joint design, grading, and mobilization efforts — minimizing long-term expenses and service disruptions. After final engineering, total project costs for the entire roundabout (including two bus stops), increased from the original **\$8 million figure to \$11 million**, reflecting higher-than-anticipated construction and materials costs.

200 E. Virginia Avenue • Gunnison, Colorado 81230

Through careful value engineering, the County has reduced the total project to about \$9.5 million, with approximately \$426,000 allocated for the two bus stops. Existing grants will cover \$340,800 for the bus stops, and we respectfully request the RTA's partnership to fund the remaining \$85,200.

## **Looking Ahead:**

Once complete, the roundabout project will vastly improve transit access at Brush Creek — and lay the groundwork for a potential park-and-ride facility or trail connection as a Phase II project that could further expand RTA's reach and service. In short, the Brush Creek Roundabout project is a smart, forward-looking investment that enhances both road safety and public transit. The County values the RTA's longstanding commitment to regional connectivity and sustainability, and we hope you will join us in bringing this vital infrastructure to completion.

Sincerely,

**Gunnison County Board of Commissioners** 

Laura Puckett Daniels, Chairperson

Jonathan Houck, Commissioner

Liz Smith, Commissioner

# Final Budget – For Board Adoption 11/7/25

(Prepared on October 30, 2025)

The next pages comprise the Final 2026 GVRTA Budget as presented the GVRTA Board of Directors at the November 7. 2025 meeting. The Board of Directors may make changes before adopting the budget.

#### Major changes since the last draft:

- Total Sales tax revenues have been increased by \$59k due to more information being available since the last draft.
- Sales tax to Capital fund has been increased by \$200k to cover additional expenses.
- Sales tax to General fund has been reduced by \$141k.
- The allocation between diesel and CNG fuel has been adjusted to reflect more diesel coaches coming into the fleet in early 2026.
- The grant revenues and associated expenses for purchasing the four MCI coaches have been adjusted to reflect more accurate costs.
- The CTE grant has been amended by adding \$284k and the associated bus purchases has been increased by \$340k due to the ability to get an advance on the grant to buy all three coaches in 2026 instead of over two years.
- Due to the delay in getting a grant contract, all of the grant revenues and facility expenses for the 301 Tomichi project have been moved to 2026.
- \$100k has been added to capital expenses for planning for a future Brush Creek Park n Ride
- \$85.2k has been added to capital expenses to cover the local match for the County grant to build the new bus stops at Brush Creek.

#### **2026 Budget Assumptions:**

#### Sales Tax

2026 sales tax is budgeted to be 3% above 2025 projections.

# • Capital Fund

- The Capital Fund is allocated \$1,250,000 in sales tax revenues in 2026
- Section 5339(a) Grant funding is budgeted to cover 80% of the cost of two buses.
  - We were awarded a grant for \$1,426,924.
- Section 5339(b) Grant funding is budgeted to cover 85% of the cost of two buses.
  - We were awarded a grant for \$1,516,108.
- State SB-267 grant funding of \$1,000,000 is included to build the enhanced bus stop on Hwy 50 in Gunnison.
- State CTE grant funding of \$739,000 for bus purchases to expand service.
- o Projects:
  - Purchasing four full sized buses \$888,461 each.
    - Two with 5339(a) grant funding covering 80% of the cost.
    - Two with 5339(b) grant funding covering 85% of the cost.
  - Purchasing three smaller buses for future service expansion \$340,000 each.
  - Building the enhanced bus stop and GVRTA offices on Hwy 50 in Gunnison - \$1,500,000
  - \$100,000 is budgeted for planning for a Park n Ride at Brush Creek
  - \$85,200 is budgeted for the County to use for a local match for moving the Brush Creek bus stops.

#### Air Command Fund

- The Air Command Fund is allocated \$650,000 from sales tax revenues in 2026.
- Winter flights are guaranteed to Houston and Chicago.
  - Total maximum MRG payments are budgeted.
    - \$204,352 is budgeted for Houston.
    - \$308,004 is budgeted for Chicago.
- We may be able to reduce our costs associated with the Chicago flight by using SCASD grant funding, and will pursue this more with the DOT once the government shutdown is resolved.
- o Air Services Manager (including travel expenses) \$111,000
- o Airline Mechanic Contribution \$60,000

#### Senior Transportation Fund

- The Senior Transportation Fund is allocated \$464,000 from sales tax revenues in 2026.
- Senior transportation operations continue with no changes in 2026.
  - Contracts are budgeted at:
    - \$330,000 for GVH.
    - \$130,000 for Mountain Express.

#### General Fund

- The remaining Sales Tax (\$4,218,000) is allocated to the General Fund.
- The GVRTA Commuter Bus operates on a 41 round-trip winter bus schedule and a 33 round-trip spring, summer, and fall bus schedule.
- Includes \$50,000 contribution be included towards funding the Hwy 135
   Corridor Plan under Contracted Temporary Help.
- o \$143,000 is budgeted for the local match for the second daily bus to Denver.

#### Overall

- o Total revenues are budgeted to be \$11,907,632.
- Total expenditures are budgeted not to exceed \$12,922,503.
- Total cash fund balance is budgeted to be reduced by \$1,014,871.
- o Capital assets will increase by a total of \$6,087,312 less depreciation.
- o Four new large buses \$3,567,312
- o Three new small buses \$1,020,000
- o Enhanced bus stop project \$1,500,000
- o Ending fund balance is budgeted to be \$4,637,114.
- o The ending unrestricted fund balance is budgeted to be \$3,973,944.
- The minimum unrestricted fund balance mandated by the board under this budget would be \$2,630,800.

# Gunnison Valley RTA – Five Year Financial Plan – for adoption by the Board of Directors on November 7, 2025

This Five-Year Financial Plan is intended to assist the Gunnison Valley RTA (GVRTA) Board of Directors and the community to ensure that we allocate our limited resources to provide services and results that are in line with the community's expectations while achieving long-term financial balance, responsible planning, and accountability. This Five-Year Financial plan is a valuable evaluation tool that can serve the GVRTA Board of Directors in evaluating the fiscal implications of policy decisions and offering a process for publicly deliberating and making future budget choices.

By using this financial plan in budget development, we will better understand and communicate the GVRTA's financial challenges and opportunities, better understand the trade-offs necessary to achieve financial balance, and assist in making financially sustainable decisions during the budget process.

The GVRTA is in a sound financial position. Sales tax revenue collections continue to be sustainable and we have received numerous grants for capital, transit operations and air service. In addition, fund balances are at levels which can help to sustain the GVRTA in the event of an economic downturn. We have also been able to accelerate implementing our capital plan over the past few years. The GVRTA remains on a solid financial footing.

The financial plan on the next pages includes notes for revenues and for each of our funds. These notes include assumptions based upon projections about the economy and the plan may need to be adjusted if the projected revenues are not obtained.

The General Fund includes sustaining bus service at current levels in 2026 and beginning service expansion in the spring of 2027 as a result of the new CTE funding source.

The Capital Reserve Fund balance is projected to fluctuate as we continue to improve our fleet and facilities.

The Air Command Fund is planned to maintain a stable fund balance in order to be available to add new air service to the valley when appropriate. The Air Command fund balance is likely to increase beyond planned amounts because individual flight programs often perform so that maximum payments under MRG contracts are not necessary.

The Senior Transportation Fund allows for continued senior services and the ability to replace vehicles as needed in the future.

#### Notes on the Air Command Fund:

Transfers to the Air Command Fund are set at \$750,000 per year beginning in 2027

Houston Winter MRG expenditures are set at \$250,000 each year

Chicago winter service is currently budgeted to be funded locally. We are in discussions with the DOT about the possibility of using SCASD grants for this program.

The Air Command Fund Balance could increase beyond projections (assuming full MRG payments are not necessary)

Increased Fund Balances can be used to expand to other markets in the future

The Air Command will continue to make recommendations regarding future contracts

The Air Command fund is very difficult to plan this far out

#### MANAGEMENT SERVICES AGREEMENT

**THIS MANAGEMENT SERVICES AGREEMENT** (this Agreement) made effective January 1, 2026 is by and between the Gunnison Valley Transportation Authority (RTA), Gunnison, Colorado, and Truex Management Services, Inc., a Colorado Corporation (TMS).

#### **RECITALS**

TMS provides the <u>non-exclusive</u> professional management services of Scott Truex (the Services); The RTA desires to engage TMS to provide the Services according to this Agreement.

#### **AGREEMENT**

**NOW THEREFORE,** in consideration of the Recitals and the mutual covenants and obligations hereinafter set forth, the parties agree as follows:

#### TERM.

The term of this Agreement shall commence on the date first set forth above and shall terminate on December 31, 2026, unless sooner terminated as provided herein. This agreement may be renewed for three (3) successive one (1) year terms as provided herein.

# SCOPE OF SERVICES.

TMS shall provide to the RTA the services of Truex for the purposes of performing the duties of Executive Director for the RTA as described in the attached Position Description Scope of Work (Exhibit A). Truex shall perform the duties of Executive Director for the RTA solely as directed by the governing board of the RTA and described by its governing documents and as managed by the Board of Directors of the RTA. TMS shall also provide office space, telephones, computers, office equipment, and internet access for Truex's use. All of the above shall be referred to as "Services".

#### **COMPENSATION**INDEPENDENT CONTRACTOR.

- (a) TMS is an independent contractor to the RTA. Truex is not, and shall not be construed to be, an employee of RTA: Aat all times while Truex provides services to RTA, he is and shall be an employee of TMS.
- (b) In exchange for these Services, the RTA shall pay TMS the contract rate of \$17,916.67 per month for the 2026 calendar year (the Compensation); the Compensation shall be paid on or before the twentieth day of each month.

- (c) The Compensation set forth in (b) above, is intended to fully compensate TMS for all of the services including all compensation for Truex, and all other charges, expenses, overhead, payroll costs, and employee benefits, except as specifically set forth herein.
- (d) The RTA shall reimburse TMS for any travel expenses incurred by Truex required for his performance as Executive Director of the RTA with the exception of vehicle expenses within Gunnison County, which shall be the expense of TMS.
- (e) TMS is not entitled to unemployment insurance benefits from the RTSA. TMS is obligated to pay federal and state income tax on any monedys paid to TMS pursuant to this Agreement. TMS will determine and be responsible to pay compensation for Truex, including any salary, vacation time, health insurance, retirement benefits, workmen's compensation, and other benefits that TMS may determine to be appropriate, and pay Truex accordingly.

#### **INDEMNIFICATION.**

- (a) TMS agrees to indemnify, defend and hold harmless the RTA, its partners, officers, directors, agents and employees of and from any and all liability, claims, liens, demands, actions and causes of action whatsoever (including reasonable attorneys' fees and costs) arising out of or related to any loss, cost, damage or injury, including death, of any person or damage to property of any kind caused by the misconduct or negligent acts, errors or omissions of TMS or its employees or sub-consultants.
- (b) The RTA is protected by and subject to the Colorado Governmental Immunity Act. Neither party shall interpret this provision as a waiver of governmental immunity.
- (c) This provision shall survive any termination or expiration of this Agreement with respect to any liability, injury or damage occurring prior to such termination.

#### TERM, RENEWAL, AND TERMINATION.

This Agreement shall run for a period of twelve months starting January 1, 2026, and ending December 31, 2026. Subject to the annual appropriation of funds by the RTA to provide the type of management services described herein, this agreement shall automatically renew for three (3) successive one-year terms unless written notice is given by RTA to TMS on or before October 1<sup>st</sup> of its intention to terminate this agreement. for the upcoming year. In the event agreement is not terminated, the schedule of compensation contract rate set forth in subsection (b) above shall be increased by 4% over the compensation contract rate of the previous year. The parties shall discuss any changes to the Scope of Work no later than sixty (60) days' prior to the beginning of the next contract term. Either party TMS shall have the right to terminate this Agreement at any time, with or without cause, upon ninety (90) days' prior written notice to the RTA other. The RTA may not terminate this Agreement absent a breach of contract by

TMS. RTA and TMS agree that annual performance reviews will be performed and performance goals will be set for the next year by RTA Board Members and Truex.

#### **ILLEGAL ALIEN ADDENDUM.**

The Illegal Alien Addendum, attached hereto as Exhibit B, is incorporated herein by this reference. TMS is the Contractor and RTA is the Owner for purposes of the Illegal Alien Addendum.

#### **INSURANCE.**

TMS agrees that at all times during the term of this agreement, <u>TMS will cause</u> <u>Truex to carry a professional liability policy in the amount of \$2,000,000.</u> TMS shall <u>also</u> cause Truex to carry and maintain in full force and effect and at Truex's sole cost and expense, comprehensive automobile liability insurance on all vehicles used in the performance of this agreement in the amount of \$100,000.00 per person and \$300,000.00 per occurrence for bodily injury and property damage. <u>and to carry an umbrella policy with a personal liability limit of at least \$2,000,000 per occurrence.</u>

This multifaceted role requires a balance of technical expertise, effective communication, and visionary leadership to drive forward the mission of delivering safe, reliable, and innovative transit solutions to the Gunnison Valley community.

#### **Exhibit B: Illegal Alien Addendum**

# HLEGAL ALIEN ADDENDUM REQUIRED IN ALL PUBLIC CONTRACTS FOR SERVICES BY C.R.S. §8-17.5-101, ET. SEQ.

a. By its signature on this Agreement, Contractor certifies that, as of the time of its signature, it does not knowingly employ or contract with an illegal alien and that, in order to confirm the employment eligibility of all employees who are newly hired for employment in the United States, the Contractor has participated or attempted to participate in the E Verify program ("E Verify Program") created in Public Law 208, 104th Congress, as amended, and expanded in Public Law 156, 108th Congress, as amended, administered by the United States Department of Homeland Security, and the Social Security Administration or the Department Program (Department Program) established pursuant to §8 17.5 102(5)(c), C.R.S.

b. Contractor agrees that it shall not knowingly employ or contract with an illegal alien to perform work under this Agreement; and that it shall not enter into a contract with a subcontractor that fails to certify to the contractor that the subcontractor shall not knowingly employ or contract with an illegal alien to perform work under this contract.

c. Contractor has confirmed or attempted to confirm through participation in the E Verify or Department Program the employment eligibility of all employees who are newly hired for employment in the United States.

d. Contractor shall not use E. Verify or Department Program procedures to undertake preemployment screening of job applicants while work under this Agreement is being performed.

e. If Contractor obtains actual knowledge that a subcontractor performing work under this Agreement knowingly employs or contracts with an illegal alien, the Contractor shall: (1) notify the subcontractor and the Owner within three days that the Contractor has actual knowledge that the subcontractor is employing or contracting with an illegal alien; and (2) terminate the subcontract with the subcontractor if, within three days of receiving the notice required herein, the subcontractor does not stop employing or contracting with the illegal alien; except that the Contractor shall not terminate the contract with the subcontractor if during such three days the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with an illegal alien.

f. The Contractor shall comply with any reasonable request by the Colorado Department of Labor and Employment made in the course of an investigation that the Department is undertaking pursuant to the authority established in C.R.S. Section 8 17.5 101(5).

g. If Contractor violates a provision of this Illegal Alien Addendum, the Owner may terminate this Agreement for breach of contract. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the Owner. Contractor understands that, in the event of such a termination, Owner is required to notify the office of the Colorado Secretary of State.

### **MANAGEMENT SERVICES AGREEMENT**

**THIS MANAGEMENT SERVICES AGREEMENT** (this Agreement) made effective January 1, 2026 is by and between the Gunnison Valley Transportation Authority (RTA), Gunnison, Colorado, and Truex Management Services, Inc., a Colorado Corporation (TMS).

#### **RECITALS**

TMS provides the non-exclusive professional management services of Scott Truex (the Services); The RTA desires to engage TMS to provide the Services according to this Agreement.

# **AGREEMENT**

**NOW THEREFORE,** in consideration of the Recitals and the mutual covenants and obligations hereinafter set forth, the parties agree as follows:

#### TERM.

The term of this Agreement shall commence on the date first set forth above and shall terminate on December 31, 2026, unless sooner terminated as provided herein. This agreement may be renewed for three (3) successive one (1) year terms as provided herein.

#### **SCOPE OF SERVICES.**

TMS shall provide to the RTA the services of Truex for the purposes of performing the duties of Executive Director for the RTA as described in the attached Scope of Work (Exhibit A). Truex shall perform the duties of Executive Director for the RTA as and described by its governing documents and as managed by the Board of Directors of the RTA. TMS shall also provide office space, telephones, computers, office equipment, and internet access for Truex's use. All of the above shall be referred to as "Services".

#### INDEPENDENT CONTRACTOR.

- (a) TMS is an independent contractor to the RTA. Truex is not, and shall not be construed to be, an employee of RTA. At all times while Truex provides services to RTA, he is and shall be an employee of TMS.
- (b) In exchange for the Services, the RTA shall pay TMS the contract rate of \$17,916.67 per month for the 2026 calendar year (the Compensation); the Compensation shall be paid on or before the twentieth day of each month.

- (c) The Compensation set forth in (b) above, is intended to fully compensate TMS for all of the services including all compensation for Truex, and all other charges, expenses, overhead, payroll costs, and employee benefits, except as specifically set forth herein.
- (d) The RTA shall reimburse TMS for any travel expenses incurred by Truex required for his performance as Executive Director of the RTA with the exception of vehicle expenses within Gunnison County, which shall be the expense of TMS.
- (e) TMS is not entitled to unemployment insurance benefits from the RTA. TMS is obligated to pay federal and state income tax on any moneys paid to TMS pursuant to this Agreement. TMS will determine and be responsible to pay compensation for Truex, including any salary, vacation time, health insurance, retirement benefits, workmen's compensation, and other benefits that TMS may determine to be appropriate, and pay Truex accordingly.

# **INDEMNIFICATION.**

- (a) TMS agrees to indemnify, defend and hold harmless the RTA, its partners, officers, directors, agents and employees of and from any and all liability, claims, liens, demands, actions and causes of action whatsoever (including reasonable attorneys' fees and costs) arising out of or related to any loss, cost, damage or injury, including death, of any person or damage to property of any kind caused by the misconduct or negligent acts, errors or omissions of TMS or its employees or sub-consultants.
- (b) The RTA is protected by and subject to the Colorado Governmental Immunity Act. Neither party shall interpret this provision as a waiver of governmental immunity.
- (c) This provision shall survive any termination or expiration of this Agreement with respect to any liability, injury or damage occurring prior to such termination.

#### TERM, RENEWAL, AND TERMINATION.

This Agreement shall run for a period of twelve months starting January 1, 2026, and ending December 31, 2026. Subject to the annual appropriation of funds by the RTA to provide the type of management services described herein, this agreement shall automatically renew for three (3) successive one-year terms unless written notice is given by RTA to TMS on or before October 1<sup>st</sup> of its intention to terminate this agreement.. In the event agreement is not terminated, the contract rate set forth in subsection (b) above shall be increased by 4% over the contract rate of the previous year. The parties shall discuss any changes to the Scope of Work no later than sixty (60) days' prior to the beginning of the next contract term. TMS shall have the right to terminate this Agreement at any time, with or without cause, upon ninety (90) days' prior written notice to the RTA. The RTA may not terminate this Agreement absent a breach of contract by TMS.

# **INSURANCE.**

TMS agrees that at all times during the term of this agreement, TMS will cause Truex to carry a professional liability policy in the amount of \$2,000,000. TMS shall also cause Truex to carry and maintain in full force and effect and at Truex's sole cost and expense, comprehensive automobile liability insurance on all vehicles used in the performance of this agreement in the amount of \$100,000.00 per person and \$300,000.00 per occurrence for bodily injury and property damage and to carry an umbrella policy with a personal liability limit of at least \$2,000,000 per occurrence.
