

Our Mission of LOVE Foundation (since 1989) is a non-profit 5013C organization consisting of ALL volunteers. We provide humanitarian aid to those in need worldwide and focus on providing basic human rights to the children who have none. We are backed by individuals, groups, local businesses, and the United States Military Denton Program. Our Mission of LOVE is the largest user of the Denton Program in the world. We have distributed millions of pounds of AID, via planes, trucks and containers throughout five continents of our world including our Native American Friends on the Pine Ridge Indian Reservation in South Dakota and survivors of Natural Disasters in our country. Once our AID arrives, Mission of LOVE volunteers, both young and old, from all walks of life, are there to utilize the AID by building orphanages, schools, clinics, hospices, and homes while administering surgeries, cleft palate surgeries and giving medical treatment to the sick and those who are deformed since birth.

LOVE is patient and kind, LOVE is not jealous or boastful; it is not arrogant or rude. LOVE bears ALL things, believes ALL things, endures ALL things.

AND THE CHILDREN SHALL LEAD...

“ LOVE is the crowning grace of humanity, the holiest rights of the soul, the golden link which binds us to duty and truth, the redeeming principle that chiefly reconciles the heart to life, and is prophetic of eternal good. “ ~ Petrarch

We will in 2015;
