

FOX RUN

NORDIC CENTER

The Fox Run Nordic Center features 7 miles of traditional well-marked Nordic track trails and skating lanes that wind their way through pristine meadows and Nordic hillsides along the Black River on the Fox Run Golf Club property. The conveniently located Nordic Center also includes an additional 7 miles of dedicated snowshoe trails. Fox Run Nordic features daily, modern trail grooming utilizing state-of-the-art grooming equipment and terrain ideally suited to all ability levels. Nordic skiers can glide along at a leisurely pace on machine-made tracks set in the snow. For a faster paced cardio workout, skiers can try skate-skiing along corduroy-covered lanes of packed snow between set tracks. The powerful, diagonal action of skate skiing is similar to ice-skating and provides a great workout.
