THOUGHTS FROM OUR PASTOR

Stewardship: Loving God and Neighbor

In the Gospel, Jesus gives us the two greatest commandments: to love the Lord your God with all your heart, soul, and mind, and to love your neighbor as yourself. I invite you to see these calls to love not just as abstract ideals, but as the foundation of Christian stewardship—specifically through the intentional giving of our time, talent, and treasure. True love is never static; it demands concrete action, and stewardship is simply love in motion.

When Jesus tells us to love God with our entire being, He is asking us to evaluate how we steward our time. Our lives are busy, packed with work, sports, and entertainment. Yet, loving God with all our heart means prioritizing Him above all else. By giving God our time, we acknowledge that every breath we take is a gift from Him. Loving our neighbor as ourselves addresses how we steward our talent. Whether it is volunteering in our parish ministries, mentoring our youth, or helping a neighbor in crisis, your talents are the exact tools God wants to use to answer someone else's prayer.

Finally, the call to love requires the honest evaluation of our treasure. Sacrificial giving is an act of trust. When we return a portion of our financial blessings to the parish and to charitable works, we declare that our security rests in God, not in our bank accounts. Your financial support allows our parish to remain a beacon of hope, providing both sacramental nourishment and physical outreach to the hurting. When we fully commit our time, talent, and treasure to the Lord, we stop treating faith like a Sunday obligation and start living it as a total gift of self. Thank you for your continued generosity and for making our parish a true family of faith. – Fr. Tom

Dear Lord,
Thank you for teaching me to be generous as you have been generous with me. Thank you for showing me that all I am and have are gifts from you. And that these gifts from you, Lord, are meant to be shared. Show me the joys of generosity. Help me to understand others, perhaps unknown to me, depend on me for help. Remind me that my world, my parish, needs "Good Samaritans" to heal the wounds of our times. Make me a gift to others in your name.

Contributions beyond our Archdiocesan goal help us to:

Prep and paint exterior.

Close off old access.

Weatherproof the foundation.

Replace all windows.

Convert lighting to LED.

Update bathroom.

Install secure door.

Paint the interior.

Install a new furnace.

Renovate the "Archangel Attic"

Why? Didn't we already do this project last year? Answer: We completed phase I. We raised approximately $36,000 and that amount will allow us to install new windows, a new secure entry door and paint the exterior of the building this summer. Proceeds from this year's appeal will allow us to complete this two-year renovation project. In the summer of 2027 we will install a new furnace, renovate the bathroom, and replace all lighting with LED fixtures. Once completed, the Archangel Attic will be ready for the next decade! The Attic serves as an outreach to the needy in our community, as well as a revenue source for scholarships to Lumen Christi Catholic High School (generating more than $1.4 million since 2011!). All staff, including managers Mary and Colleen, are volunteers. **Thank you!**

LUMEN CHRISTI CATHOLIC HIGH SCHOOL

LIVING FAITH, CELEBRATING FAMILY, AND ACHIEVING EXCELLENCE

PRINCIPAL'S UPDATE

I wanted to remind parents that we do not allow energy drinks (Celsius, Monster, Red Bull, Lotus, Yerba Mate, Alani Nu, C4, etc.) in the school building. While we know that students (and adults!) often drink these for increased energy and stimulation, the dangers to adolescents including dehydration, increased heart rate, anxiety, and insomnia are real: (https://www.cdc.gov/school-nutrition/media/images/2024/09/The_Buzz_on_Energy_Drinks_infographic.png) and (https://www.nccih.nih.gov/health/energy-drinks). And unfortunately, our teachers often experience the "crash" --sleeping in class, irritability, mood swings, lack of focus, and other misbehaviors-later in the day when the quick energy boost wears off. Excessive caffeine and sugar intake can also disrupt sleep patterns-which can lead to reduced academic performance. Caffeine dependency leads students to feel like they need another energy drink to function and the cycle starts anew. Are you seeing similar results at home? Just like cell phones back in 2018, we feel that these drinks are counterproductive to our learning environment. And because they are highly caffeinated and highly sugary, they are ultimately harmful to our young people. Therefore, the staff and I feel that simply removing them from our school environment is the most effective and appropriate approach. The school has two filtered water bottle fill stations to support better choices. Thank you for partnering with us on this effort!

Blessings on your extended weekend!

Brian

Marian Procession before Mass -
details coming soon!

**Coffee, cocoa, donuts,
and fellowship after Mass**

We continue to challenge all people of faith to sign up for an hour a week if possible (for a total of 6 hours). Our mere presence on the sidewalk changes minds of mothers and fathers headed into abortion facilities -- this gives them time to be offered and to consider life-giving alternatives to abortion. Our presence also pokes the consciences of those driving by.

We are not doing a kickoff rally this year. We hope to host a midway rally and/or a closing Mass. But as always, the core work is our presence on the sidewalks, 7am to 8pm, Monday through Saturday, September 23 to October 31.

May God help us end abortion.

In Christ,
Mary Kemper
