THOUGHTS FROM OUR PASTOR

Gaining true joy, peace, and communion with God

This weekend we make our annual commitment as faithful stewards. God has given us our very life and the precious gift of time. He has given us our talents and has helped each one of us in different ways. Above all, He has given us the great gift of our faith, as well as the material goods we possess. We've been entrusted with these gifts only for a while, in order that we might use them wisely. Stewardship is a grateful response to God's gifts. When we recognize that all they have is a gift, it should ignite a passionate, grateful desire in ourselves to give back. This self-giving leads to a sense of peace and joy, rather than a feeling of obligation. Stewardship is a total way of life. Faithful stewardship goes beyond financial contributions, encompassing a commitment of one's whole self to the Lord, just as He committed His very life to us! If you are giving minimally of your time, talent, and treasure to our parish and Christ's Church, I strongly encourage you to begin today. Investing time in prayer, family, and charitable activities; use your God-given skills and abilities not for personal gain but to serve others and build up the Church; give cheerfully of your material wealth, working to a biblical norm of tithing 10%. Embracing a stewardship way of life leads to a deeper conversion of the heart and a stronger commitment to being a disciple of Christ. The reward for faithful stewardship is not just worldly gain but true joy, peace, and communion with God. — Fr. Tom

⇒ Principal's Update:

Well, what an exciting weekend of sports activities! Lumen Christi students participated in junior high soccer, cross country running, and high school soccer. Our junior high soccer team earned a 4th place finish in the State championship among fellow Christian and private schools, while our cross country runners made good individual showings at State. Our amazing high school co-ed soccer team pulled off a hard fought 3-0 victory over rival Delta Junction to win the ASAA Co-Ed State Championship for the 2nd time in three years! Congratulations to all the members of the team and coaches and many thanks to all the fans who came out in windy, overcast weather to cheer our Archangels on to the win! We are working on another championship banner to hang proudly in the gym!

This weekend brings more sports action as our girls volleyball teams host the Lumen Christi Spiketacular Tournament, an annual tradition for many years involving over a dozen teams from Unalaska to Petersburg and everyone in between. If you are around town, come on out and support our JV and Varsity teams in some head to head, fast and furious volleyball action!

Our bi-annual Speaker Series event on Tuesday, focused on Parenting with Love and Logic, was a smashing success, with over 75 people in attendance! If you missed it, and would like more information, please let me know and I can put you in contact with our guest speaker, Elaine Border.

Finally, please take a close look at next week's schedule. Monday and Tuesday are normal school days (2pm dismissal), but just remember Wednesday is PSAT for 9-11th graders, Thursday is a normal school day but a 1pm dismissal and parent teacher conferences in the evening, and Friday is no school as teachers have an in-service day. Many thanks to Kim Guzman for putting together the infographic with this information! We look forward to seeing you at conferences next Thursday!

Have a blessed and wonderful fall weekend!

Replace all windows.

Paint the interior.

Install a new furnace.

Renovate the "Archangel Attic"

Why? The "old church" or "the rummage room" has quite a history, serving also as a youth center and a preschool before the "Archangel Attic" opened its doors in 2011, following an extensive renovation by the Knights of Columbus. The Attic serves as an outreach to the needy in our community, as well as a revenue source for scholarships to Lumen Christi Catholic High School (generating more than \$1.4 million since 2011!). All staff, including managers Mary and Colleen, are volunteers. In order to "keep the rain on the outside and the heat on the inside," this renovation will include exterior and interior painting, new energy-efficient windows, a secure entry door, new bathroom, LED lighting, and a new furnace. With a properly maintained building this ministry will continue to thrive! **Thank you!**

Playing Loose with the Truth

It can be quite disheartening to watch the daily news. Our world is full of hatred, bigotry, racism, and over-stimulated greed and ego. The gap between the rich and poor is widening; random, senseless violence is an everyday occurrence. We live with hope, but without much optimism.

Perhaps most distressing is the erosion of our capacity to recognize/ acknowledge the truth. From government offices, to the media outlets, to local newspapers, we are becoming irresponsible, manipulative, and outright dishonest with the truth, denying it where it's inconvenient, bending it to suit our own purposes. Studies from major scientific institutes are dismissed as just another opinion allowing us to create an entire society where it's becoming difficult for any of us to trust what is actually a fact. That's dangerous, especially spiritually. Scripture tells us Satan is the Prince of Lies. Jesus makes it clear, failure to acknowledge the truth is the **MOST** dangerous sin. We see this particularly in the text warning us we can commit a sin that's unforgiveable because it's a blasphemy against the Holy Spirit.

Why is this unforgiveable? What has it got to do with telling lies? The unforgiveable sin of lying becomes unforgiveable because what lying can do to us. Here's how the biblical text unfolds: Jesus has just cast out a demon. Part of the Jewish faith then was the belief only someone who came from God had power to cast out a demon. Jesus did that, but the Scribes and Pharisees witnessing this found it to be an inconvenient truth since they denied Jesus' goodness.

In the face of truth, they either acknowledged something they did not want to or they manipulated the truth to give it a different meaning. They chose the latter, aware they were manipulating the truth, accusing Jesus of performing the miracle through the power of Satan. They knew they were lying, but the actual truth was too difficult to accept.

Jesus tries to argue with them, pointing out there's no logic in Satan casting out demons. They persist; then Jesus utters his warning: "In truth I tell you, all human sins will be forgiven, and all the blasphemies ever uttered, but anyone who blasphemes against the Holy Spirit will never be forgiven but is guilty of an eternal sin." (*Mark 3:28-29 parallel text in Matthew 12: 31-32*). What is this warning?

Jesus says to be careful about putting a false spin on something because it is too awkward to accept as true. The danger is in doing this you may come to believe your own lie. That will be unforgiveable, given you no longer want to be forgiven because you see truth as a lie and vice versa. The sin cannot be forgiven, not because God doesn't want to forgive but because we no longer want to be forgiven.

We don't blaspheme when we use foul language when we're frustrated; nor do we blaspheme when we shake our fists at God in anger or turn away from him in bitterness. The one thing God cannot handle is lying, where we lie to the point of believing our own lies (the **REAL** danger in lying) as eventually it warps our consciences and we can no longer tell truth from falsehood or falsehood from truth. Challenge:

Be aware all week of your truth and lies. Ask forgiveness for your lies.

Quote:

God has placed in the human heart a desire to know the truth; so that, by knowing and loving God, men and women may also come to the fullness of truth about themselves.
