THOUGHTS FROM OUR PASTOR

Hell is a real and everlasting possibility!

Hell is real and it is everlasting. We may not hear much about hell these days and we may not even like to, but silence on the subject does not make the reality of Hell go away. In fact, the denial of hell leads ultimately to trivializing heaven. Life is a series of choices. We can either choose to take a) the difficult path that leads to the narrow gate and life, or b) the broad path which leads to the wide gate and destruction. The narrow path is the way of the Cross which our Lord undertook, and we must follow in our respective way. It is a popular error of our time to believe that it does not matter which road one takes. Some believe that all roads are like spokes on a wheel, all leading to the same place: Heaven. In fact, we make choices every day that draw us closer to God or lead us farther away from Him. That's why simply believing in Jesus isn't enough. Friendship with God, like friendship of any kind, is more than just getting acquainted. It involves making a series of choices to love over the long term, so that a committed relationship grows. Faith is useless then, without good works. God must have our active co-operation, because both our mind and our will — the full likeness of God — must be renewed if we're to be saved in the end. Hell is real and it is everlasting. — *Fr. Tom*

Dear Lord,

Thank you for teaching me to be generous as you have been generous with me.

Thank you for showing me that all I am and have are gifts from you.

And that these gifts from you, Lord, are meant to be shared. Show me the joys of generosity.

Help me to understand others, perhaps unknown to me, depend on me for help.

Remind me that my world, my parish, needs "Good Samaritans" to heal the wounds of our times.

Make me a gift to others in your name.

⇒ Principal's Update:

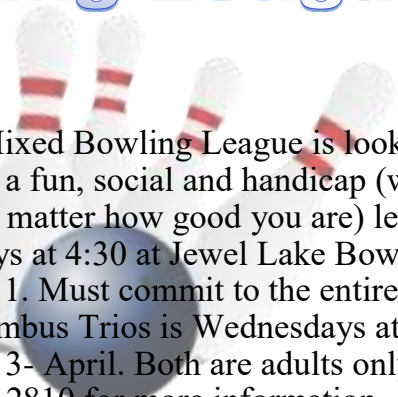

Our first full week together builds upon the successes of our first few days! Students are settling into their 45 minute and block period and lunch routines, homework is starting to become a norm, and we have even had a few quizzes and tests! During our 7th period this week, we conducted an all-school fire alarm drill, discussed the year ahead in Houses, connected our Big A upperclass mentors with the little a mentees through a tie dye activity, reviewed and refreshed our school's academic honesty policy, and trained altar servers and extraordinary ministers. Yesterday, most of our students also learned a bit more about the parts of the Catholic Mass or watched a video from Pope Leo XIV. We hope you will join us for our all-school Mass tomorrow morning at 7:45am led by our awesome and capable seniors from the Class of 2026!

Our fall soccer season is well underway, and I encourage you to catch a game at Kincaid at some point! Grab a Yeti hot dog, settle in for some great pitch action, and cheer our junior high and high school Archangels on to victory!

Have a blessed and safe weekend!

Blessings... Brian

Contributions beyond our Archdiocesan goal help us to:

Prep and paint exterior.

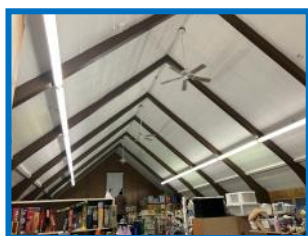

Close off old access.

Weatherproof the foundation.

Replace all windows.

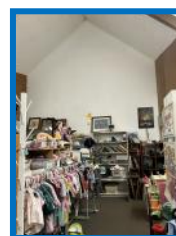

Convert lighting to LED.

Update bathroom.

Install secure door.

Paint the interior.

Install a new furnace.

Renovate the "Archangel Attic"

Why? The "old church" or "the rummage room" has quite a history, serving also as a youth center and a preschool before the "Archangel Attic" opened its doors in 2011, following an extensive renovation by the Knights of Columbus. The Attic serves as an outreach to the needy in our community, as well as a revenue source for scholarships to Lumen Christi Catholic High School (generating more than \$1.4 million since 2011!). All staff, including managers Mary and Colleen, are volunteers. In order to "keep the rain on the outside and the heat on the inside," this renovation will include exterior and interior painting, new energy-efficient windows, a secure entry door, new bathroom, LED lighting, and a new furnace. With a properly maintained building this ministry will continue to thrive! **Thank you!**

Offering individual and group healing, Project Rachel helps those who need the mercy of our Lord most tenderly, for there is nothing that cannot be redeemed for His purpose. If you'd like to participate, either as a path for healing, or in support of the ministry, please call (907) 297-7781, or email projectrachelalaska@gmail.com.

MARRIAGE MATTERS

June used to be the most chosen time of weddings. Now wedding dates are chosen all through the year. Couples young and old recite their vows before family and friends. One of the most beautiful scripture readings used in marriage ceremonies is from Corinthians 13. Love bears all things, believes all things, hopes all things, endures all things (1 Corinthians 13:7). Let's take these four simple—but not simplistic—verbs to more deeply embrace love.

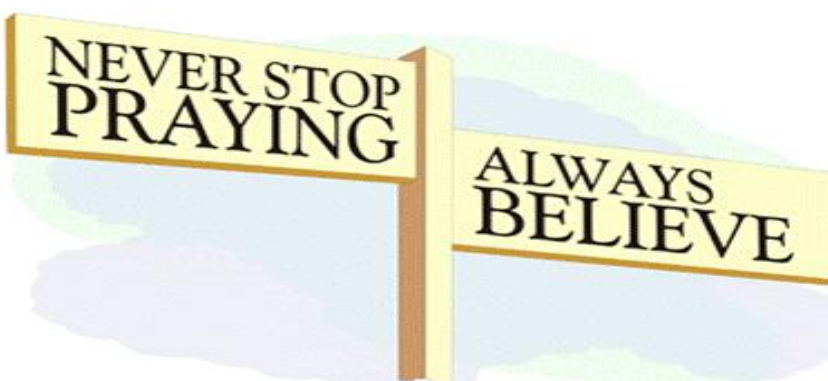

“Love bears all things.” Alaskans are familiar with the noun, bears, in size, strength, and majesty. Using bear as a verb it becomes the energy, the muscle to power through times of uncertainty or discouragement as well as see the “majesty” in the everyday life. Bear also means to give birth, to bring forth. Love allows any situation to be productive, bringing forth goodness and new life.

“Love believes all things.” It does not mean to be naïve or easily tricked. Rather, one's mind is open to possibilities, not the “end of the road” mentality, in every situation. Love expects the best outcome as one ventures toward that anticipated vision.

“Love hopes all things.” God gives us hope for each day to strive for our best selves. We realize hope is actually God's strength in us. His love for us allows our movement toward Him without fear or worry; thus, cherishing our spouse with a greater depth.

Finally, “love endures all things.” Endures means to continue, to last, without flinching—certainly the Alaskan way we approach our severe winters! God has taught us to endure is to forgive, again and again. Alaskans strive for new beginnings as each year we await spring. With a deeper understanding of the many facets of love we share with our spouse, we can then reach out into the world touching and changing hearts.

Love never fails.

SAINTE ROSE OF LIMA, THE PATRONESS OF LATIN
AMERICA AND THE PHILIPPINES AND THE FIRST SAINT
BORN IN THE AMERICAS, WAS SO REMARKABLY AND
PERFECTLY BEAUTIFUL, SHE WOULD CAUSE PEOPLE TO
STOP WHAT THEY WERE DOING TO STARE AT HER!
AFRAID THAT HER BEAUTY MIGHT BE A TEMPTATION
TO SOMEONE, SHE CONSTANTLY RUBBED HER FACE
WITH PEPPER AND LYE SO HER COMPLEXION WOULD
NOT BE SO ATTRACTIVE.
