ENTERTAINMENT FOR ALL AGES!

Showcasing the best up and
coming young talent.

WELCOME

Welcome to our 40th performance. It's amazing to think that a group of volunteers all those many moons ago dedicated their time to create a youth variety show, of which I'm sure they would be proud to know has grown to be something as special as this, and is still going strong to this very day.

The affect I see on Sunraysia's youth, makes the role of producer a joy. It truly is my highlight watching shy children become successful, outgoing, active members of the community.

There is no limit to ideas they bring forward to help shape the show, from complete items in the show, lovely harmonies and vocal balance during duets and larger vocal arrangements, assisting choreographers with their own unique take on dance moves, to even little extra character traits they are adding to their parts to make the role they have been given truly their own.

I'm so very grateful for the help and support from all involved, and want to thank all the volunteers, committee, production team and cast for making this year another wonderful experience.

Sit back and enjoy what 40 years have to offer, and best wishes for another successful 40 more.

SCOTTY BILDSTIEN AWARD

Scott Bildstein was one of the original production team and was a very long term cast member and volunteer for ELT - his spirit and enthusiasm for stagecraft represented everything ELT was all about. Sadly, Scott is no longer with us but in honour of his contribution to ELT, the committee and production team nominate a current volunteer who has gone above and beyond to make ELT the success it still is today. We are pleased to welcome Scott's family members to present this award each year.

The 2024 "Scotty" was awarded to:

JUNIOR PRODUCERS

BLAKE RAY

Hamilton was introduced to me several years ago, but I was initially drawn away from the global smash hit. After revisiting the filmed version on Disney Plus, I decided to give it a second shot. This enabled me to realise the creative potential of the lyrics and characters, sparking my interest in producing my own Hamilton item with ELT. During brainstorming, I took considerable inspiration from the show's original producer Lin Manuel Miranda, using his musical genius to communicate with my cast and fellow producers at ELT. Special thanks to our director Shay Bruton for supporting my ideas and providing the management I needed. Massive thanks also to Kiara Bruton and Ella Hutchinson for their collaboration, encouragement, and assistance with choreography. Without them, the item wouldn't flow as seamlessly or have the energy a musical like Hamilton requires.

I'm glad I didn't throw away my shot at producing this year and hope you enjoy my item as much as I do, featuring my favourite moments from the best musical of the 21st century, Hamilton!

ASHLEIGH ALLEN

I first joined ELT when I was 12, and aside from a short break during COVID and university, I've participated in every season since. ELT became my escape and second home, where I formed lifelong friendships and a second family. Alongside ELT, I danced ballroom for 11 years, which inspired my item for the 40th anniversary show. The item combines my love for singing and dance. My singers represent the passion ELT helped me find in singing, while my ballroom choreography reflects how each cast member contributes their own experiences to the show. The style of dance pushes the performers outside their comfort zones, which is a part of ELT I love. Finally, the music, to me, symbolises encouragement to break away from what is holding you back and come out of your shell. And that is exactly what ELT has done for me.

AVA GUNN

I was introduced to Grease a few years ago and instantly fell in love. When offered the chance to become a junior producer, I immediately thought of Grease. I knew it would be a big responsibility and a lot of hard work, but I decided to take on the challenge. I'm so glad I did, as I learned responsibility, leadership, and expanded my creative knowledge. A huge thanks to Shay, Nigel, and the production team for helping bring my ideas to life, and to Ella Hutchison for her assistance with choreography and adapting the Broadway version while making it our own. One of my favorite parts of Grease is "Summer Nights," a fun, animated song where characters interact and showcase their creativity, especially the 'Pink Ladies' and 'T-Birds.' Will and Kiara have done an amazing job embodying Danny and Sandy, and I can't wait to show off their talents on stage. I hope you enjoy watching this piece as much as I did creating it. ELT has been an incredible opportunity, and I've learned so much from it. If you're considering joining the next production, I highly recommend it!

CAST COMMENTS

ZOE PRICE

After joining Electric Light Theatre (ELT) in the 2016/2017 season, I quickly found a second home as a singer and dancer, surrounded by an incredibly supportive and talented community. Over the years, I grew not only in my skills but in confidence, learning the value of teamwork and creativity. During the 2019/2020 season, I found out I was pregnant as rehearsals began, and though I was four months along, I made the decision to continue performing. After that season, I stepped away to focus on my growing family. Returning for ELT's 40th anniversary feels like the perfect way to celebrate everything this production has given me. ELT has always been a place where young people, from ages 9 to 25, can discover their passion for the arts, build lifelong friendships, and experience the magic of performing together. As I prepare for my final year as a cast member, I'm filled with gratitude for the experiences and people who have shaped my journey. While my time on stage may be ending, the memories and impact of ELT will stay with me forever.

CAELAN FULTON

Hi, my name is Caelan and it is my first year performing with ELT. I have loved the community that ELT has to offer and how friendly all the cast and production members have been on this journey. Overall it has been a very accommodating experience and also a really fun time learning all things Theatre. I hope you all enjoy the show!

POPPY HOYE

Hi! I'm Poppy! I'm 11 years old and I started ELT with not much stage experience but loads of enthusiasm. ELT has grown my confidence and helped me make new friends. I have had the best experience right from the start. I thought everyone would be strict, but everyone has been more chill than in school performances. Having other cast members as role models has helped me to grow my theatre skills in all areas. So far my favourite bit has been surprisingly getting a part in a sketch. I thought you had to have a bit more experience, but they gave me a go! If anyone has an interest in acting, singing or dancing, I would highly recommend ELT straightaway!

RYLIE O'BRIEN

ELT is a place where you can make heaps of friends and expand your confidence on stage. I joined ELT in 2023 and have made multiple friends and memories. ELT is like a second family to me and to many other people. With a welcoming committee and such a kind and talented cast, there isn't a show like ELT!

THE SHOW

ACT 1

8th February, 1985

The curtains were about to go up for the inaugural Electric Light Theatre performance at Mildura Arts Centre. Backstage, a nervous but excited group of 50 young cast members were practising songs, reciting lines and remembering dance moves; knowing that they had rehearsed hard but worried they would forget on stage. Would the audience like their variety show? Would there be a big audience, or just a few?

The small but dedicated production team, led by Mike Saunders, checked over props, sets and costumes for the umpteenth time, thankful for loans from Mildura Little Theatre and Red Cliffs Musical Society - and for the readily available supply of free packing cases which had been converted into scenery such as the ELT light globe. The team had raised \$500 as an establishment fund, but this had paid for printing tickets and the production of a poster.

So many firsts; so many unknowns were involved in this very first show. None of the cast or crew involved could possibly imagine that this would be the first season of many, and that Electric Light Theatre would be alive and thriving 40 years on.

From Humble Beginnings

ELT was established in 1984, to give the youth of Sunraysia the opportunity to learn stagecraft as a summer activity and to be part of a community group where they would be welcomed, regardless of talent and experience, but also to develop existing skills and talents.

The first season ran at a loss, but was still deemed a success. Electric Light Theatre formed a committee and became an incorporated body in 1985. The company name and iconic light globe logo stemmed from Mike Saunders' concept of 'lighting up on stage'.

The theatre company grew very quickly and performed not just at the Mildura Arts Centre, but toured to places like Ouyen and Murrayville. There were fun times rehearsing with Young Talent Time when they were touring, as well as performing in television commercials in the 1980's and 1990's.

Between 1985 and 1998, Electric Light Theatre were accompanied by a live orchestra. Some of the orchestra members were also cast members, juggling between playing an instrument then running backstage and straight onto stage to sing, dance or act!

Since 1998, pre-recorded music has been used, and of course sound and lighting technology has dramatically changed the way productions are formed.

Memorabilia and photos from the past forty years of ELT will be on display in the Subterranean Space at Powerhouse Place (Hugh King Drive) 10am-3pm Friday 7th February - Monday 10th February

What hasn't changed over the years, is the passion and commitment of those involved in ensuring ELT's ongoing success. Our ELT 'family' consists of over 1,100 cast members and 1,200 volunteers. Every one of these people have contributed skills, hard work, creativity, initiative and a willingness to implement new – and at times crazy - ideas. We are still 100% volunteer run.

Many of our previous cast members have gone on to have amazing successes; some in theatre, television and music across the world, and others have carved careers in other areas, for example law, politics, technology, teaching or leadership positions. We take pride in the fact that cast members develop not just stagecraft with ELT, but life skills such as leadership, problem solving, self-confidence, teamwork and respect; values and skills which can be taken into any chosen path.

ELT Today

As we anticipate the curtains rising on our 40th anniversary 'Rewound' show, we know the cast will be feeling all the same feelings of cast who've come before them. Nervous and excited, with adrenaline pumping. Cast will be there for each other when emotions swell to tears, and to celebrate outstanding performances. They will encourage each other, trust each other and cement the friendships they have formed.

The backstage crew – a bigger team now – will be checking props, sets and costumes for the umpteenth time. Most have been there for ELT before, backstage and many also on stage. But each and every show is special, and different to the last. With each and every show, we feel gratitude to those who established ELT and those who kept it going.

We are proud to be contributing to this amazing legacy.

What Next For ELT

Many are surprised to learn that Electric Light Theatre has never had a permanent rehearsal space! We have rented many places over the years, but now, at 40 years young, we feel it is time to find a permanent home.

Along with representatives from Mildura Theatre Company and Musical Society Mildura, we have established STAGE (Sunraysia Theatre and Arts Group Endeavour Inc). We are working towards a purpose built community rehearsal space that will house our theatre companies and other community performance arts groups.

Updates on progress are available on the STAGE page.

THANK YOU

On behalf of the committee, production, volunteers and our amazing cast, I'd like to take this opportunity to welcome and thank you for being a part of the audience of this remarkable production. I am sure you will agree the cast has done an incredible job of bringing the show to life and entertaining us all.

Shay and the Production team have done a great job providing an opportunity for our young theatre artists to learn, grow and express themselves creatively. They have poured many hours into creating a show that is engaging and showcases the many talents of our cast.

ELT has been bringing the talent of Sunraysia's youth to stage for a stunning 40 seasons and this year's show and cast have continued to do ELT proud with their passion and talent. Their dedication and creativity have been truly inspiring, and we are thrilled they are able to share this experience with you on stage. ELT has a unique ability to connect those involved and I'm sure there are numerous people out there who have many fond memories of their time as a part of the ELT family. The fact ELT has been going for as long as it has, is a true testament to the power of theatre and the purpose of ELT and its values.

The success of ELT relies heavily on the many volunteers that work tirelessly behind the scenes. Whether it be helping with costumes, set construction, backstage, ushering, helping in the dressing rooms or being present at rehearsals, the time, energy and dedication given by our volunteers helps to bring this performance to life in ways that words can hardly express, and for that, I thank you all. I want to make a

special mention to my committee team, you are a great bunch of people, and I am truly appreciative to be a part of a team whose enthusiasm, hard work and commitment make sure our cast are supported and have positive experiences.

I would also like to extend our heartfelt thanks to our generous sponsors and in-kind supporters for their invaluable support of our little youth theatre production. Your contributions have helped to make it possible for young talent to shine on stage, and for this, we are truly grateful.

And finally, to the cast, you guys are unbelievable. I want to express my congratulations and admiration to each and every one of you. I have loved witnessing the growth from the very first rehearsal all the way through to when you first stepped onto the stage to entertain. I hope you each remember you are outstanding performers, and it is because of you, this production has been such a joy to watch.

Thank you again for being a vital part of our journey. We look forward to sharing many more memorable performances with you in the future. Now please, sit back and enjoy the show.

JODIE JUDD
PRESIDENT

2025 PARTNERS AND SPONSORS

PROUDLY SUPPORTED BY

Thank you to the businesses and locals who have contributed to our season this year.

The support from local businesses, organisations and individuals enable us to keep our cast membership fees affordable, ensuring Sunraysia's youth have the opportunity to experience all that ELT can offer.

A huge thank you to **Sunraysia District Scout Association** for the use of their Nichols Point Scout Hall and facilities for our rehearsal venue this season.

We're thankful also to the following people/organisations for generously loaning costumes and/or equipment:

- Sunraysia Gang Show
- Mildura Theatre Company
- Toni Sullivan
- David Searle
- Mildura City Heart
- Doug Haynes Menswear
- Mallee Meats
- Treffene's Bakery

WE STILL LIKE YOU (ELT FINALE SONG)

We'd like to tell you a story
From those who are seen and not heard
We are the kids from Electric Light Theatre
Listen to the words

We're starting up a petition,
We want the oldies to know,
It's about time they ran the intermission
Let us run the show

They tell us there's no need to worry,
No need to panic it's true
Because in twenty years
we'll all be just as mad as you!

Now we have got your attention,
The oldies should give us our due
Don't do as I do is all they tell us,
But we still like you

Don't turn your back on the audience,
Smile even though you feel blue,
Now is the time for us all to leave you,
But we still like you

They tell us there's no need to worry,
No need to panic it's true
Because in twenty years
we'll all be just as mad as you!

Ours is a really bright stage show
It's a thrill to perform it for you
And we find the friendships
We've made in this show
Will last through and through

We hope you liked our performance,
And tell all your friends to come too.
'Cause without you it wouldn't be quite
The same thing,
and we still like you.

They tell us there's no need to worry,
No need to panic it's true
Because in twenty years
we'll all be just as mad as you!

Our Leaders kindly inform us,
Without them we'd be in a stew
Well, if they believe that,
they're mad as hatters,
But we still like you.

We know our excellent leaders,
Explain every sketch right on cue,
We listen politely, then do our own thing
But we still like you.

We listen politely,
then do our own thing,
But we still like you!

VISUAL STORY FOR ELT'S 40TH 'REWOUND' PERFORMANCE

WE HAVE CREATED A VISUAL STORY WHICH
AIMS TO SUPPORT DIVERSE MEMBERS OF
THE AUDIENCE IN ENJOYING THE SHOW.
