

# Technology that works the way you work.

When hard work and our technology come together, you can boost profits and create better experiences for guests and employees.

**Here's what you can do with SpotOn Restaurant:**

**Operate more efficiently**

**Boost revenue**

**Build guest relationships**

**Manage & retain staff**

## The Top-Rated POS.

Built for restaurants, by people who know restaurants.

We win with our industry-leading:

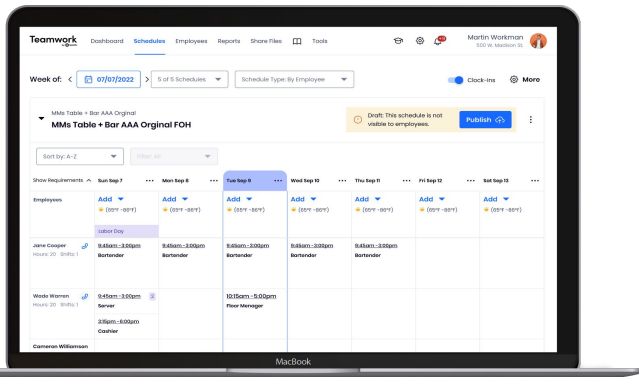

- Intuitive functionality
- Incredibly robust reporting
- White-glove Installation & staff training
- 24/7/365 in-house customer service at no cost, ever.

## SpotOn Teamwork.

All-in one solution to save you hours (and money) every week:

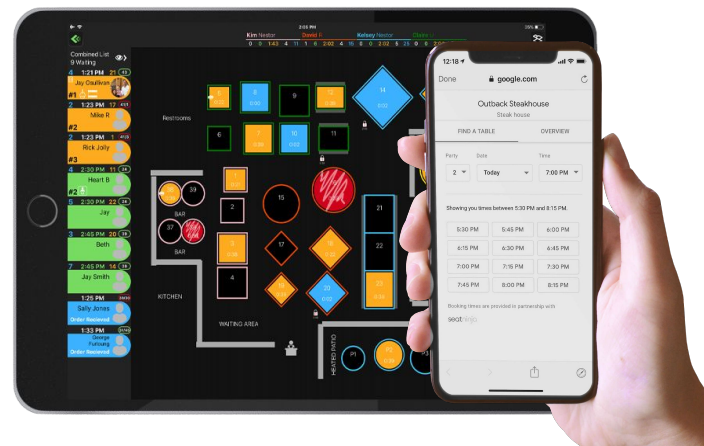

- Scheduling
- Labor Compliance
- Tip Pooling and Distribution
- Payroll Submission

## SpotOn Reserve.

Keep your data and save on cover fees. Plus, you have an integrated solution to help you handle:

- Reservations
- Waitlist
- Table Management
- Experiences
