## Legacy Academy's Field Trip Visit Program

The Legacy Academy's large indoor playground and recreation rooms make it an ideal Field Trip venue for youth organizations such as child care centers, elementary school classes, sports teams, boys & girls clubs, church groups, summer camps, and scout troops. The academy can comfortably host up to 130 persons for a field trip outing.

Field Trips visits most commonly take place on weekdays during our open gym sessions and generally last for about two hours. Visiting groups are also welcome to bring in their own snacks or lunches. Cafeteria tables, refrigerators, and freezers are all available on site.

## Legacy Academy's Youngsters Open Gym

Preschoolers and other pre-teen children will enjoy our comfortable 8,000 square foot indoor facility including its padded floors, Castle & Treehouse Playsets, jumping platforms & landing pits, swing sets, and soft sculptured play figures. They will also entertain themselves with our numerous table games and arcade games (always set on free play).

Youngsters Open Gym hours are available on a daily basis. For current hours and pricing please call or visit our Internet web site.
