Name:

Please give a short biography of your personal achievements:

I have been involved with Cleveland Bays since the age of 10. My parents bought their foundation mares, Knaresborough Fancy and Knaresborough Superstar, in 1985. My parents started Braithwaite Stud and I have now taken over the reins of our breeding program, alongside my husband Rob. We currently stand 3 pure Cleveland Bay Stallions and have 9 breeding mares. We try to get to as many shows over the summer as possible between juggling stud work. We as a family are very passionate about the breed and strive to continue to breed Cleveland Bays for all to enjoy.

I have two sons aged 18 and 15. Harry, my eldest, has started to show the horses and various shows and Freddie is keen to help with the stud work during the summer months. Both boys help throughout the year with the farm work.
