

# Cleveland Bay Clinic 2026

## National Racing College - DN11 0HN

### Sunday 27th September 2026

The Cleveland Bay Horse Society invites you to a one day Clinic at Doncaster's National Horseracing College, The Stables, Rossington Hall, Great North Road, Doncaster on Sunday 27th September 2026.

Weekend camps seem to have become a big commitment at this time, so we are trying a different format in a different location in order to continue the spirit of getting Bays and friends together for an educational and social gathering. We are looking forward to a day of Indoor lessons and activities, both ridden and In Hand, a spin on the gallops, (ridden only) a dressage simulator experience and plenty of socialising with all comers, whilst helping to raise the profile of our breed.

The National Racing College offers 2 indoor arenas - one with a full set of show jumps, plus 1 outdoor arena and both straight and circular gallops. For more details please visit [www.thenhc.co.uk](http://www.thenhc.co.uk)

The Clinic is aimed at Grassroots level to boost confidence for you and your horse, and to improve you both in a fun and stress free environment. The Clinic is open to all - CBHS members and non-members, Cleveland Bays both pure and part bred and non (aka honorary) Cleveland Bays. This includes young horses, In Hand and Novice ridden, as the Clinic aims to be as inclusive as possible, stallions being the only exception.

We have been fortunate enough to engage the services of the two fabulous instructors Hazel Towers (5\* eventer) and Bev Walton (equine behaviourist). They were outstanding at our previous two Camps, and we are delighted that they have agreed to teach at our NRC Clinic.

The cost of the one day clinic is £75, and this includes all the facilities and at least 2 lessons/activities including a choice from flat work, pole work, desensitisation or any other requests. The price also includes a buffet lunch and drinks for the day. Toilets are provided on site.

The Gallops and the Dressage Simulator are offered as extras. The cost per person may vary depending on the number participating, but will be no more than the price quoted on the entry form. Grazing paddocks are also available for £40/day on request.

A refundable deposit of £35 **\*\***(up to 5th May) secures your place on the Clinic with the remainder (including extras) being due by May 31st 2026.

Places will be allocated on a strictly first come, first served basis and if the Clinic is oversubscribed we will start a waiting list.

To enrol just complete the entry form on our website [www.clevelandbay.com](http://www.clevelandbay.com) under Cleveland Bay Clinic to let us know all about your horse and what activities you would like to try. Please remember to include your expression of interest for the 'extras' (Payment to be collected later) together with any dietary requirements. The team organising the Camp and looking after you for the day will be Elaine Keith (07976 361596) Coleen Benfold (07854 868910) and Reece Wolfenden (07841 420953)
