Overseas Pre-Breeding/Covering Grant Claim Form 2026

For CBHS overseas members only

See the rules on page 2

Please complete all sections.

Name:		Membership no.:	
Address:			
Email:			
Telephone:			
Prefix/stud name:			
Mare's name:		Stud book no.:	
Stallion's name:		Stud book no.:	
Do you own the above-named mare?		☐ Yes	☐ No
If not, please attach proof of the lease or loan agreement.			

Please tick the evidence you are sending with this claim:

- ☐ Covering certificate
- ☐ AI certificate
- ☐ Veterinary report (mare examined and found unfit to breed)

I confirm that any foal born from the above mating will be registered with the Cleveland Bay Horse Society within six months of birth.

Signed: Date:

Print Name:

Data Protection

Data provided in this form shall be processed in accordance with the Society's Privacy Notice, which can be found on the CBHS website (www.clevelandbay.com), and applicable UK data protection legislation.

This is a fillable PDF. Please complete it and save it with your mare's name in the file name.

Please return the completed form to the Cleveland Bay Horse Society at the address above, or by email to clevelandbayoffice@gmail.com.

Rules

This grant is open only to CBHS members resident outside the UK, including in the EU. UK members are not eligible.

The CBHS will pay £100 for each CBHS-registered pure-bred mare covered by a CBHS-licensed pure-bred stallion in 2026, provided that the rules below are met and a claim form is completed.

Claims must be made to the CBHS in 2026 as soon as all the required paperwork is available. Payment will be made as soon as possible afterwards.

1. The claim must be for a CBHS-registered pure-bred mare covered by a CBHS-registered, licensed pure-bred stallion.
2. The member must own the mare for which the claim is made, or supply evidence of a breeding loan or lease.
3. Recipients must undertake to have foals registered with the CBHS within six months of birth.
4. A maximum of two claims will be accepted in 2026 for each stud, prefix or breeder or, where no prefix is registered, for each breeder or owner. The CBHS's decision is final.
5. No mating shown as red on the 2026 Grassroots SPARKS report (progeny with an inbreeding coefficient of 0.24 or greater) is eligible for payment.
6. A covering or AI certificate is required as proof of covering. If the mare is examined for breeding and found unfit to breed, the CBHS must instead receive a copy of the veterinary report confirming the date of the examination and the vet's recommendation.
7. The names of the mare and stallion will be recorded and used to research the foals born, so that the CBHS can assess the impact of this grant. If a covering is unsuccessful, the owner may be asked for further information or to seek veterinary advice.
8. Applicants must complete the claim form and return it to the CBHS office.

NB: If the mare named on this form has been the subject of two previous pre-breeding grant claims (regardless of ownership) and has not produced a live foal from them, no further claim will be paid for her.
