Please notify cbhsshows@gmail.com if you see any errors or wish to add dates to this diary.

SFAS - Search For A Star - For 2025, the organisers have kindly agreed to include Rare Breeds in their Native classes. Pure Cleveland Bays are eligible.

SFAS is a showing Championship for amateur riders who produce their own horses.

Qualifying classes at events all around the country culminate in a Final held at Your Horse Live.

In addition, SFAS offers opportunities for pure and part bred Cleveland Bays to enter in the In Hand Hunter sections, which are, themselves HOYS qualifiers.

The CBHS will be offering highest placed Cleveland Bay rosettes in the Rare Native classes at all qualifiers and for pure and part bred in other sections of SFAS. We encourage all those who show their Cleveland Bays to support these regional qualifiers, as they will be included in the points totals for trophies at the end of the season.
