WINNER

Shots are given based on the stroke index of the hole being played. For example, player A's course handicap is 5, player B's course handicap is 12, player C's course handicap is 15 and player D's course handicap is 21. Player A gets no shots, player B gets 90% of 7 (12 – 5) which is 6.3 rounded down to 6 so receives shots on indexes 1 to 6. Player C gets 9 and player D gets 14.
