

A NEW SONG

God is up to something at Trinity Church, and we're going to sing about it!

During the first full year of our new rector's tenure, we have celebrated the Tricentennial of our beautiful church building. We have cared for Honyman Hall and filled the Glenn Family Center with ministry. We have welcomed many new members and young families to our life and worship at Trinity. Our custom pipe organ is almost completed and will be delivered in the new year, and this congregation has been so generous in supporting that effort. Trinity church is vibrant, joyful, and faithful.

When we celebrated our "Founding the Future" Sunday in September, our choir sang a new piece of music based on Psalm 98: Sing to the Lord a new song. The words from the psalmist perfectly represent our hopes for the immediate and long-term future of Trinity Church. Your 2027 pledge helps to make that future possible. Join us in God's new song for Trinity Church and make your pledge today!

- **Reflect and pray** about the impact that Trinity Church has in your life and in this community. We hope that your pledge comes from a place of gratitude!
- **If you currently pledge** thank you! Consider raising your pledge by 5% to help cover the rising costs of our important ministries at Trinity.
- **If you are a newer member at Trinity**, know that your pledge helps us plan our budget for the coming year. The amount is up to you, but your commitment matters, and helps us with our mission and ministry. Pledges at Trinity range from \$100 to over \$18,000 a year. The median is \$2200. Please know every pledge matters - no matter the size.

"He has done marvelous things - I too will praise him with a new song!" - Hymn 412

Why we give

"Chris and I have been pledging and working towards tithing (giving 10% of our income back to God) for a very long time. We were advised by my father-in-law to pick an amount we could make work and then every year as things get better increase our monthly pledge.

We get closer to tithing every year, and I can tell you that there is always enough. **God provides**, and we get to support the work that our congregation is doing in the name of God here and in our community. We hope that you will pledge this year or join us in increasing your pledge. Pray for guidance as to what you can give. We are God's hands and feet in the world. How can we make a difference? "

CARING FOR TRINITY CHURCH

We are stewards of something extraordinary: a church building steeped in history and an integral part of the story of our city, vital ministry to our community and neighbors, and transformative worship and programs for the many members of this church. As our church life continues to grow, so do our financial responsibilities.

Our budget for 2027 is \$640,000, and we are counting on **\$500,000** in pledged support from the congregation. Your pledge will support every part of our parish life: staff salaries, care of our buildings and property, programs and hospitality, and our ministry to the community.

We hope you'll see your pledge for what it is: an opportunity to be part of God's work at Trinity Church.
