PROPERTY MANAGEMENT

**BILL MCMANAMA**

I am delighted to be a member of the Howard Hanna property management group. After 35 years in transportation management, I am excited to take on a new endeavor. I am one who will strive to give you impeccable service. If you are a property owner, I will collaborate with you to optimize your properties rental income, while helping you maintain the condition and value of your home. If you are investing in rental properties, I will work with you on expanding your portfolio to get you to your goal. As a tenant I will guide you to a property that you are happy to call home!

I look forward to meeting you to start building a trusting professional relationship that benefits each client.
