

# **BURRINGTON GRAIN STORE Grain Drying, Cleaning & Storage Charges 2023**

## **Acceptance of Grain**

We can accept Grain in bulk or in sacks. Each load will be sampled and tested for moisture on arrival. Screening tests will be taken before unloading and entered on the Intake ticket and must be of Intervention Standard.

We reserve the right to refuse any grain of poor quality which we cannot handle properly.

#### **Acceptable Bushel Weight:-**

Wheat 72 kgs / hectolitre
Barley 63 kgs / hectolitre
Oats 50 kgs / hectolitre

Grain received below the above standards will be subject to £1.00 per 1kg/hectolitre deduction on intake weight.
