# District Governor Message

## A Fresh Start: Growing Our Lions Family Together

Lions Family,

A new year brings a new beginning—and for our district, it brings a powerful opportunity.

We are launching a **six-month membership contest** with a bold and meaningful goal: **to welcome 200 new Lions into our Lions family and become the first district in Florida to come out of transitional status.** This is not just a number. It is a statement of who we are and what we believe is possible when Lions work together with purpose.

Our district is filled with Lions who have **hearts of Lions**—Lions who serve quietly, give generously, and show up for their communities again and again. We understand the importance of Lions Clubs International and the impact we make when we stand united in service. Now is the time to share that impact with others and invite them to be part of something greater than themselves.

Membership growth is not about pressure or perfection. It's about **opening our doors, telling our stories, and extending an invitation.** Every community we serve is full of people who want to help, who want connection, and who are looking for a way to make a difference. Lions give them that opportunity.

This six-month contest is a fresh start—a chance to re-energize our clubs, strengthen our visibility, and build a future that is sustainable and strong. Whether your club brings in one new Lion or twenty, every new member strengthens our district and expands our reach. Together, we can do this.

Together, we can grow. Together, we can lead Florida by example. Let's move forward with confidence, unity, and Lion pride—welcoming new Lions, strengthening our family, and proving once again that **where there is a need, there is a Lion.**

In Lionism, We Serve,

*Suzy Rodgers*

## MEMBERSHIP

## CONTEST

Lions Family,

I am excited to announce a district-wide **6-Month Membership Net-Gain Contest** designed to strengthen our clubs, expand our service, and bring fresh energy into Lions of District 35-L. As we all know, *more hands mean more service*—and together, we can spark meaningful growth.

### ***Here's the Challenge:***

From **January 1, 2026 through June 30, 2026** every club will work toward a **positive net gain in membership** \*\*. Whether that means bringing in new members or re-engaging former Lions. (Transfers “in” are not part of this contest.)

### ***What's in it for Your Lions Club?***

#### **1<sup>st</sup> Place**

1. A membership patch for your club banner and patches for each Lion in the winning club who has sponsored one or more new members during the contest period.
2. Your club will receive \$10 for each new member.
3. Your club will be highlighted in our district 35 L newsletter
4. Your club will be featured on our district 35 L website.
5. Your club will have bragging rights for the entire Lions year.

#### **2<sup>nd</sup> Place**

1. Your club will be recognized with a certificate
2. Your club will receive \$5 for each new member.

#### **3<sup>rd</sup> Place**

Your club will be recognized with a certificate.

### ***What's in it for Each Lions Club Member?***

## Glad you asked.....

1. The Lion sponsoring the largest number of new members in our district will receive "The Carl Harrell Award "
  - a. A patch for their Lions Vest.
  - b. Winner name will be added to the new member drawing for \$250
2. Each Lion bringing a new Lion to a club (or another club in our district) will have their name placed in "The most Lions recruited in District 35 L" drawing during the same 6-month period.

(Awards will be presented at the 1<sup>st</sup> District Advisory Meeting in the 2026-2027 Lions year.)

## How your club and members can get started:

- Host a membership night or invite-a-friend meeting
- Highlight your club's work on social media
- Engage new members quickly with meaningful roles
- Reach out to past Lions—you'd be surprised how many are ready to return
- Celebrate your successes and share your stories with the district

## Why this matters:

Our communities need Lions more than ever. Growing our membership means expanding our capacity to serve—more vision screenings, more food drives, more support for youth, veterans, and families in need. When we grow, *our impact multiplies*.

Let's show our communities what Lions can achieve when we work with purpose and passion. I believe in each of you, and I know we can achieve exceptional results over these next six months.

Thank you for your leadership, your heart for service, and your commitment to the future of Lionism.

In Lionism We Serve,

Suzi Rodgers  
District Governor, District 35-L

**\*\*Net gain is the total increase or decrease in your club's membership during the contest period. It is determined by using this simple formula:**

**Net Gain = New Members Added + Reinstated Members – Members Dropped**

*In an event of a tie all club/members will be awarded.*

# MELVIN JONES

## BIRTHDAY JANUARY 13

### The Original Lion

Before there were over 1.4 million Lions around the world, there was one man with a vision. He was a salesman from Chicago, Illinois, USA, named Melvin Jones. Driven by a dynamic personality and a heart filled with kindness, he helped create a service movement over 100 years ago that's still thriving today.

### The Melvin Jones Story

Melvin Jones was a dreamer, a doer and a pragmatist. He was an energetic, extroverted salesman who in private hours would reread Shakespeare. What better man to found the world's largest association of service clubs?

The Lions International Board of Directors officially designated Jones as the founder of Lions Clubs in 1958—more than four decades after Lions Clubs held its first meeting. But, no matter what his official title, Jones' impact on the Lions has been far-reaching. He provided the leadership, the organizational ability, the tenacity and the muscle necessary to establish the foundation for Lions Clubs International to become what it is today.

Jones was born on Jan. 13, 1879, at Fort Thomas, Arizona, a remote U.S. Army cavalry post where his father was a scout for the Army. At age 7, Jones' family moved east and settled in Illinois. Gifted with a fine tenor voice, he considered making his career in music. Instead, he became an insurance salesman.

# WHY REPORT SERVICES

**Strengthen storytelling.** Details give stories power. Saying you fed 87 families is more powerful than saying you organized a food drive. Saying your club contributed 1,265 volunteer hours last year is more powerful than saying your club serves the community. When your club reports service, you collect the details needed to share powerful stories of your club's impact.

---

**Inform decisions.** Documented club achievements reveal what's working and what's not. For example, what if your diabetes education program is growing in attendance, but your annual club fundraiser is shrinking? Reviewing past service reports helps your club make better decisions, including choosing service activities and setting realistic goals.

---

**Inspire service.** Your reported service projects can be viewed within your district and around the world. That means your club's creativity and impact can inspire Lions and Leos to embrace new causes and serve in new ways. Reports also help Lions International staff identify best practices to share globally.

---

**Grow partnerships.** Collaborating with other organizations in your community is a great way to increase the visibility, reach, and quality of your service projects. When approaching potential partners, your club's service reports provide tangible evidence of your club's effectiveness to help persuade other organizations to join with you.

---

**Enlighten leaders.** High levels of service reporting are a sign of healthy clubs, zones, and districts. Knowledge of your club's service history provides invaluable insight to current and future club officers. In addition, district, zone, and Global Action Team leaders can best support your club when they understand how clubs in their area serve their communities.

---

**Be proud.** Service data gives us the ability to communicate how We Serve around the world. For example, in 2021, Lions and Leos served more than 350 million people! We can take pride in that achievement thanks to the leaders who reported over 1 million service activities. Through service reporting, your club joins in that pride and is eligible for service awards.
