2026 Lions Club International Convention – Hong Kong

Do a Google search for Hong Kong graphics selecting images. This will display many different ideas. In your design include something that also represents MD-35. See below the last 3 LCICON pin proofs. Mark Lyon will be installed as International President in Hong Kong.

Patti Hill (from Canada) was coming in as International President in 2023. For some reason Brian Sheehan's penguin mascot was in this pin.

Yes, Australia is misspelled. It was corrected before production.

This pin has a Disney flair since MD-35 was hosting in Orlando.
