District Governor's Message

My fellow lions, I'm looking forward to a wonderful year serving as your district governor. Now that the pandemic is behind us I feel that the goals we set out on will easily be accomplished since we have already defeated this virus and have come out stronger in our membership numbers as lions in district 35-O.

With the tools given to us by LCI, and with the strength of the Lions in District 35-O I believe together we can continue building a legacy of lionism to extend into the future. I want to thank the Lions who helped me to achieve this goal to be your District Governor. PCC Helene Thompson set me on the path by asking me to be second vice, PCC Greg Evans along with PDG Harry Williams, mentored me every step of the way; and every Lion I have met and will meet through this year and coming years I constantly learn something new about Lions, about people and about service.

I look forward to working with Second Vice District Governor Vivian Henegar and First Vice District Governor Glenn brown and their partners in service.

I want to thank Past District Governor Harry Williams and Rita Fawcett for taking on putting my directory together and thank you to everyone supporting the directory with ads.

Most importantly, I would like to thank my wife Lynn Van Varick for putting up with me because if you have met me you know she has her hands full and she spends every day with me.

Building the future of Lionism together.

District Governor Steven Van Varick

INTERNATIONAL PRESIDENT & DISTRICT GOVERNOR

**District Governor
Steven Van Varick**

**International President
Douglas X. Alexander**

CODE of ETHICS

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success of the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in work, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy

NATIONAL ANTHEMS

United States

The Star Spangled Banner

O say, can you see, by the dawn's early light.
What so proudly we hail'd at the twilight's last gleaming?
Whose broad stripes and bright stars,
thro' the perilous fight.
O'er the ramparts we watch'd,
were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air.
Gave proof thro' the night that our flag was still there.
O say, does that Star - Spangled Banner yet wave.
O'er the land of the free and the home of the brave?

Bahamas

March On, Bahamaland

Lift up your head to the rising sun, Bahamaland;
March on to glory, your bright banners waving high.
See how the world marks the manner of your bearing!
Pledge to excel through love and unity.
Pressing onward, march together to a common loftier goal;
Steady sunward, through the weather hide the wide
And Treach'rous shoal.
Lift up your head to the rising sun, Bahamaland;
'Til the road you've trod
Lead unto your God,
March on, Bahamaland!

National Anthems (Continued)

Bonaire

Land of the sun and soft breeze
Proud land resurrected from the sea
Modest people, always satisfied
Always bravely defending themselves
Let us try every day
To announce Bonaire
And we sing in good harmony:
Delightful Bonaire, our beloved fatherland

Let us together as Bonaireans
All sing and raise our voices
We, being children of a healthy race
Always happy, believing in God
No power can take us this love away
As we feel it for our island
Although it's small and not perfect
We love it more than anything

Aruba

Aruba beloved home our venerated cradle though small and simple you maybe you are indeed esteemed.

Chorus:

Aruba our dear country our rock so well beloved
Our love for you is so strong that nothing can destroy it,
That nothing can destroy it.

Your beaches so much admired, with palm trees all adorned
Your coat of arms and flag, the symbols of our pride.
Chorus

The greatness of our people, is their great cordiality
And may God guide and preserve, its love for freedom.
Chorus

Curacao

**Let's raise our voice and sing, the grandeur of Curaçao;
Curaçao, Small Island, a boulder in the sea!**

**Curaçao we love you, above all nations.
Your glory we sing, with all our hearts.**

**Our people have their struggle, but we always have our faith
To accomplish always, victory through labor!**

**Let us give our share, for the island to prosper.
Let us unite forces, so we can triumph.**

**To our fatherland we demonstrate, honor and loyalty,
As we do to the flag, the union of our nation.**

**Our lives would be little, to give for our country,
Fighting united for liberty, love and understanding.**

**And when we are far from home, we all recall
Curaçao, its sun and beaches, the pride of us all.**

**Let us praise our Creator, always and forever,
For He has made us worthy, to be Curaçaoan!**

LIONS PRAYER

**If I were not a Lion, millions would not see,
If I were not a Lion, how sad the world would be.
If I were not a Lion, who would fill the need?
If I were not a Lion, would anybody heed?
But God has made us Lions, All, to serve our fellow
man.**

**He made us stand millions strong, for His almighty plan.
So here we are assembled, the Lion's bell to ring,
God, look down upon this place and Bless our
gathering. Amen**

LIONS PRAYER

**Where Lions meet be present O'Lord
with all our hearts in one accord.
To do thy will, Lord make us strong
To aid the weak and right the wrong.**

THE LIONS TOAST

**Not above you,
Not beneath you,
But with you!!**

SECTION VIII

AWARDS AND CONTESTS

Lions do not serve others in order to receive rewards. The rewards they seek are less tangible, but no less real. Lions' rewards lie in the satisfaction of demonstrating their commitment to the work of Lionism; serving as an effective team member on club, district and international projects and activities; and focusing on the community in terms of less fortunate individuals and projects and activities for the betterment of the community.

While the purpose of being a member of this wonderful organization is not to receive awards, we do recognize that members who make a significant contribution are deserving of recognition, encouragement, and appreciation.

We encourage every club and every member to become familiar with the available awards and work toward obtaining one or more. Nominations should be submitted to the appropriate Awards Chair by the dates indicated for each award.

ANCHOR AWARD

Purpose: The purpose of this award is to provide recognition to “grass root lions” who are involved in the full range of club projects and activities.

Period: July 1 through June 30 of each year.

Eligibility: All Lions except those assigned to the following positions:

- Current Club Officers (President, Secretary, Treasurer)
- Current District Officers (Governor, Vice District Governor, Secretary, Treasurer, Zone Chair)
- Current MD Committee Chairs
- Past DGs & Past Vice DGs
- Current or Past International Officers or Directors

The award can be earned only once in each year, but may be awarded at any time during the period after completion of the hours required.

District Chairs shall be considered for the Anchor Award at the discretion of the Governor. Hours accumulated on district committee activities shall NOT be considered for the award.

Requirements: All Lions wishing to gain this award are required to complete at least 125 hours or more of service to any recognized Lion activity, service, or project.

Each Lion should keep a log of all time worked, by date and project/activity name. All hours reported must be actual and not estimates. Sleep and travel time are excluded in any of the hours counted toward the award. Fifty 50 hours will be the maximum allowed for any one project or activity except in cases when a particular club, district, or MD endeavor is considered to be extremely significant. The District Governor will make this decision.

ANCHOR AWARD (Continued)

The following is a partial list of functions, which could count toward this award.

1. Club Meetings
2. Club Projects
3. MD-35 Projects
4. Lions International Projects

CLUB REBUILDING AWARD INITIATIVE

Summary:

The Club Rebuilding Award Initiative recognizes Lions who help rebuild a club that has been canceled, placed in status quo or has fewer than 15 members. The initiative addresses four areas of concentration that are necessary for a club to be viable and strong. These areas include:

Membership Strength – It is important that the club have a pool of members to lead the club and undertake service projects.

Meaningful Service Projects – Meaningful service projects are key to retention, public relations and membership recruiting.

Club Management – While service is key, each club must report regularly and keep member records current to insure involvement.

Financial Viability – Each club must keep the club account current to enable the association to provide continued support for the club.

The award is bestowed at the recommendation of the governor, or district governor team member, with the approval of the district governor when the following requirements are met. The award cannot be awarded to the district governor. One award may be given for each club rebuilt.

Qualifications:

1. The Lion nominated to receive the award must have played a key role in recruiting new members to revitalize the club, in helping the club develop new activities, and in ensuring that the club is guided and motivated as it rebuilds;

2. For a club not yet cancelled, suspended or in status quo, the award is conferred when the Lion helps rebuild a club of less than 15 and the club achieves an active club membership of 20 within the lionistic year. The club must be in good standing, have initiated a new service project, filed monthly membership reports for three consecutive months and paid the club account in full for the next per capita billing to be conferred.

CLUB REBUILDING AWARD INITIATIVE (Continued)

3. For a club that is already cancelled, suspended or in status quo, the award is conferred after the club is reactivated and has a minimum of 20 members. The club must be in good standing, have initiated a new service project, filed monthly membership reports for three consecutive months, and paid the club account in full for the next per capita billing to be conferred.

MELVIN JONES FELLOWSHIPS

General: The Melvin Jones Fellowship recognizes donations of \$1,000. It is the backbone of the Lions Clubs International Foundation (LCIF), providing 75 percent of the foundation's revenue. It recognizes humanitarian service and is presented to those who donate \$1,000 or to people for whom a donation was made by others.

Created in 1973, the fellowship takes its name from the founder of Lions Clubs International, Melvin Jones.

Fellowship donations are largely responsible for successfully launching the Lions aggressive global attack on preventable and curable blindness - - the LCIF Sightfirst program.

Fellowship donations, combined with other unrestricted gifts, provide funding for constructing and equipping medical facilities, providing low vision services and other kinds of humanitarian service projects. These projects are often designed to benefit disadvantaged and underserved populations.

Fellowship donations support vocational assistance programs that teach skills to disabled persons, giving them an opportunity to live productively and independently.

Fellowship donations help fund reconstruction projects following major disasters.

Fellowship donations help provide homes for children with special needs and homes for the elderly.

. . . And the list of humanitarian projects goes on:

MELVIN JONES FELLOWSHIPS (Continued)

When you meet Melvin Jones Fellows, you will notice that they are greatly concerned about the needs of humanity. They are firmly committed to finding ways of improving the quality of life in their local communities and in the world community.

The good works that are funded with fellowship donations has dramatically touched thousands of lives. The personal nature of the fellowship restricts it to individuals only. The honor cannot be given to any group or organization.

The Contributing Membership program is an annual program that recognizes three levels of support: US\$20, US\$50 and US\$100. For US\$20, donors receive a Contributing Member lapel pin identifying the fiscal year in which the donation is made. For US\$50, donors receive a pin and a silver wreath. For US\$100, donors receive a pin and a gold wreath. The pin design changes every year. Contributing membership donations are used to support LCIF grant programs.

Contributing Memberships are a great vehicle for making a difference in the lives of others: US\$20 can provide cataract surgery in Africa and South Asia. US\$50 can support a diabetic retinopathy eye exam in developing countries. US\$100 can make possible a low vision eye exam and glasses in the industrialized world. US\$1,000 can provide a vital surgical tool. Contributions can be made by completing the contribution form/**MJF** form LCIF42) and mailing it to LCIF.

Your club will be awarded a 100% Member Support banner patch and chevron for the first year of 100% Contributing Membership. For each subsequent year of 100% Contributing Membership, your club will receive a chevron. The most efficient way for clubs to handle Contributing Member donations is to accumulate all contributions and send them at one time to LCIF Donor & Financial Services. Please remember to include a list of donor names for appropriate recognition.

For more information on Contributing Memberships, contact the Donor and Financial Services Department at 630) 571-5466, ext. 581 or 574.

CLUB MEMBERSHIP

Summary: The Club Membership Chairperson is critically important to the health and vitality of a Lions club. This position is a considerable job, but it comes with numerous rewards. The membership chairperson's success in training and motivating the club's membership team will help Lions Clubs International maintain its position as the world's largest service club organization.

The club membership chairperson is called upon to be knowledgeable regarding Lions Clubs International membership programs and policies; a capable leader and motivator in the club. The contents of the Club Membership Chairperson Guide will help with all these important tasks. The manual serves as the primary resource for the club's chairperson position. It contains an outline of responsibilities, suggestions on making the most of the tenure as club membership chairperson and a list of valuable resources that will assist in effectively performing the job.

It's incumbent upon clubs to maintain a membership level that enables

Tools: Numerous guides are available on the LCI website www.lionsclubs.org to assist club's with membership. Below is a list of some of the materials available.

1. Club Membership Chairperson Guide - (Publication ME 44)
2. Sponsorship is an Important Responsibility - (Publication ME 21)
3. Orientation Guide - (Publication ME 13)
4. Invitation/Application with Mission Statement (Publication ME 6B)
5. Lions Make a Difference - (Publication ME 40)

Assistance: Clubs are encouraged to appoint a membership chair to oversee this very important aspect of a club's operations. The LCI website is an outstanding resource for addressing membership matters. For local assistance, talk with your Zone Chair or the District GMT Coordinator. They are both interested in helping you maintain or strengthen your club membership.

PROTOCOL

I Introduction

The Association's Official Protocol is designed to eliminate confusion regarding the proper recognition of Lions dignitaries. Whether for purposes of introduction, head table seating or acknowledgement in publishing directories, etc. it provides a simple and definitive answer to the question: Who comes first? While there is no hard and fast rule, introductions usually start with those lowest on the Order of Precedence and end with the highest-ranking Lion. When non-Lion dignitaries are present, a combination of local custom and common sense should be used in deciding at what point they should be introduced.

II Governor's Official Visit to a Club

Every year the District Governor makes official visits to clubs to share information on Lions programs and activities, as well as to meet the Lions of District 35-O. During their visit to a club, no club business is to be scheduled or conducted. In the event the club has some business to conduct, immediately after the Governor is finished, the club President can adjourn the meeting, see the governor and their entourage off and then reconvene the meeting to conduct club business, if necessary.

Order of Precedence

Lions shall be recognized in the following order:

1. International President
2. Immediate Past International President
3. International Vice Presidents according to rank.
4. International Directors
5. Past International President
6. Past International Directors
7. Chairperson, Council of Governors
8. District Governors
9. Association Executive Director
10. Association Secretary
11. Association Treasurer
12. Immediate Past Council Chairperson
13. Past Council Chairperson
14. First Vice District Governor
15. Second Vice District Governor

Order of Precedence

(Continued)

16. Past District Governors
17. Past Vice District Governors
18. Multiple District Secretaries (Volunteer)
19. Multiple District Treasurers (Volunteer)
20. District Secretaries
21. District Treasurers
22. Region Chairperson
23. Zone Chairperson

We're turning 60!

Florida Lions Eye Bank was chartered in October 1961.

We started operations in January 1962.

Since then, we have provided over 50,000
corneas for transplant.

We could not have done it without the ongoing,
unwavering support of Lions of Multiple District 35.

From all of us at Florida Lions Eye Bank and Beauty of
Sight, the Florida Lions Eye Bank Foundation, thank you
for making our 60th Anniversary possible!
