

Hats 4 Hope - Providing Comfort To Kids With Cancer

Our service project for the November Fall Conference is *Hats 4 Hope*. We will be collecting new hats of all types for kids who are going through cancer treatments. Links later below is an Amazon link and the website for donations.

Zach and Eli will be our special guests and will be sharing their experiences dealing with Eli's cancer treatments and how they developed the idea of Hats 4 Hope.

Join us immediately after Friday morning breakfast in Salon 3 at 9:30 for their inspiring message of hope.

EMPOWERING KIDS BATTLING CANCER

Our mission is dedicated to bringing comfort and joy to children fighting cancer. They believe that every child deserves to feel special and supported during their challenging journey.

Our Story

Hats 4 Hope was founded by brothers Zachary and Eli Sontag.

Eli was diagnosed with B-cell Acute Lymphoblastic Leukemia at the age of 12 in August of 2023. Almost immediately after his diagnosis, Eli began chemotherapy as part of his two-and-a-half-year treatment plan. As a side effect of the chemo, Eli lost his hair. It was at that time that he realized that he "looked sick" and people would know he had cancer. He just wanted to look like everyone else, so he began wearing hats to blend in.

It was this moment when Zach and Eli decided they wanted to help other kids who were fighting their battle with cancer as well. They wanted cancer kids to know that they were not alone and that a fun hat could help them. Together they formed Hats 4 Hope to collect and distribute hats to other kids with cancer.

"Hats 4 Hope is a 501(c)3 organization whose mission is to bring comfort, hope, and a little bit of joy to children battling cancer by providing them with hats once they begin losing their hair. Started by a young cancer warrior, we believe that every child deserves to feel seen and supported, no matter where they are on their journey. Through the simple gift of a hat, we aim to remind kids that they are strong, brave, and never alone in their fight."
