S A L E M S T O N E S

Dear Memorialist,

We pride ourselves in surpassing the standards of the industry, maintaining unparalleled inventory levels, and providing a more seamless design and ordering process through new tools to help you sell and help your families find closure.

Our team and artisans have come to fully understand the emotions involved and peace of mind desired when making memorial decisions. By listening carefully, we're able to apply our capabilities and resources so that you are able to exceed the expectations of the families you serve at a time "when everything matters".

Our deep industry experience makes us your best possible partner at every step of the process. Whether we are providing user-friendly technologies, suggesting design solutions or guiding marketing capabilities, we are here to make your job easier. Here are just a few examples of how we accomplish this.

- **Inventory:** Because we've cultivated one of the most extensive supplier networks, we can offer the widest variety with over 20,000 stones of in-stock and custom stone options, including the ultimate array of colors and styles.
- **Timelines:** Whether it be generating proofs, scheduling a pickup or shipping, completing sandblasting and laser etchings, we have some of the best in the industry. And we are always looking for opportunities to improve on them.
- **Tools:** Our technology platform, Salem Inspire, allows you to do your job faster and easier, because you can identify inventory instantly, design memorials to any specification, and keep track of orders independently.
- **Service:** Whether you work with your Regional Sales Manager, the Customer Experience Team or our Custom Design Team, we are here to support you and provide services that are unmatched in the industry.
- **Supply Chain:** Our relationships around the globe and across the supply chain give us an industry-leading manufacturing capacity that ensures there will be no undue interruptions or delays, even on special orders and custom designs.

We will always strive to be the partner you can count on when everything matters. We will not become complacent, and our focus will continue to be on our relationships with our suppliers, our customers, as well as your relationships with the families you serve.

Gratefully,

The Salem Stones Team

A sales system that will help you sell.

PRODUCT CATALOGS

- Share this and other product catalogs with families.
- Select the perfect monument from a variety of provided in-stock shapes, colors and sizes.
- Contact your Regional Sales Manager for Mausoleum and Columbaria catalogs and posters.

SALEM INSPIRE

- Salem Stones' new online tool delivers a refreshing and easy-to-use platform via computer or tablet.
- Easy access to view inventory, stock availability, and ETAs.
- Design memorials using our extensive library of images or upload your own.
- Provide families quotes, based on your desired markups.
- Place orders and track progress.

CUSTOMER-FACING BROCHURES

- A simple tri-fold sales tool to provide to your families.
- Order with or without your logo.
- No mention of Salem Stones on the brochure. This is your sales tool.

We offer a full array of services, from sandblasting to laser etching services, hand etching, and porcelain inserts, using the best artists and craftsmen in the business.

Sandblast engraving and laser etching proofs are provided within 24-72 hours. Once approved, in-stock items are moved into the production schedule.

Custom monuments are quoted within 24 hours and delivered within 120 days of the order date. If you need help with custom designs, our Custom Design Team is here to support you and your family with design ideas.

Salem Stones will leave you and the families you serve with peace of mind in every monument we build together.

CUSTOM WALK-IN MAUSOLEUMS

Purchasing a walk-in mausoleum is a big investment. We do everything we can to make the process as effortless as possible for you and your family. When you order a custom mausoleum with Salem Stones, you're getting more than just the granite. Shipping, assembly, bronze door and stained glass windows are included in your price. Once the mausoleum is produced, we will send our team to assemble your unit onsite. Units are shipped on a flat-bed truck, and a crane is required onsite for assembly.
