Dear Hiring Principal,

I am writing to express my interest in a Grades 5–6 Math teaching position. I am a Texas Certified Math Teacher with experience delivering TEKS-aligned instruction, targeted intervention, and data-driven support to improve student outcomes.

In addition to classroom instruction, I currently lead 123Math, an online math masterclass program that provides structured academic support after school hours and on Saturdays as an optional resource for families, in alignment with district policies.

Thank you for your time and consideration.

Sincerely,
Gregory Sandoval
