Hiring Committee
Cyfair ISD School District
Katy, Texas

Dear Hiring Committee,

I am excited to apply for a 5th or 6th-grade Math teaching position with Cyfair ISD. As a certified EC–6 educator with a strong background in both elementary and middle school instruction, I bring a commitment to student growth, TEKS-aligned teaching, and a design-focused approach that supports visual learning.

During my time at Pin Oak Middle School, our 6th-grade math team increased STAAR Masters performance from 25% to 46%. This improvement was the result of intentional lesson design, strong visual supports, targeted small-group interventions, and the use of recap videos and anchor charts to reinforce learning.

With a Master's Degree in Media Design, I develop instructional graphics that help students understand abstract math concepts more easily. I also maintain TEKS-aligned digital resources and instructional videos that extend learning beyond the classroom.

As a resident of Katy, I am eager to serve my community and contribute to the district's excellence. I welcome the opportunity to join a collaborative math team and support student achievement.

Thank you for considering my application.
Warm regards,

Gregory J. Sandoval

RESUME

GREGORY J. SANDOVAL

5th & 6th Grade Math Educator | TEKS-Aligned Instruction | Media Design in Education

Email: Greg@GJSandoval.com | Phone: (281) 363-3337

PROFESSIONAL SUMMARY

Dedicated 5th & 6th Grade Math Educator committed to TEKS-aligned instruction, visual learning, and hybrid support systems that strengthen student understanding and confidence. I integrate custom-designed graphics, anchor charts, and instructional videos into daily teaching to help students develop deep conceptual clarity. I bring experience in both elementary and middle school instruction, strong parent communication practices, and a commitment to academic growth.

TEACHING EXPERIENCE

Creator & Instructor — 123Math.org (Online 5th & 6th Grade Math Support)

June 2025 – Present www.123Math.org

- Develop and maintain 123Math.org to support my current classroom students with TEKS-aligned math videos, anchor charts, and interactive tools.
- Provide hybrid learning supports, including recap videos, digital notes, and step-by-step models.
- Create visually guided lessons using number lines, fraction models, and rational number representations.
- Extend learning through online modules designed for mastery, fluency, and real-world application.

6th Grade Math Teacher, Pin Oak Middle School – Houston ISD (2024–2025)

- Contributed to STAAR Masters increase from 25% → 46%.
- Delivered TEKS-based instruction using visual models, anchor charts, and structured practice.

Long-Term Substitute / Aspiring Teacher, Katy ISD (2023–2024)

Business Owner - Health Coded Medical Billing (2022 - 2024)

3rd Grade Teacher, Klein ISD (2021–2022)

2nd–4th Grade Teacher, Aldine ISD (2016–2021)

EDUCATION

Media Design MFA – Full Sail University

Business Management BBM – University of Phoenix

To Whom It May Concern,

I served as Mr. Gregory Sandoval's direct supervisor. Mr. Sandoval served as a 6th grade math teacher at Pin Oak Middle School during the 2024-2025 school year. As a teacher, Mr. Sandoval built positive relationships with his students and grade level team members. In addition, Mr. Sandoval has a desire to see his students grow and achieve academically.

Please feel free to contact me if you need additional information.

Sincerely,

Alexander Amador
Assistant Principal
Pin Oak Middle School
