PARISH VISION

We are called to active discipleship to live the values taught by our Lord Jesus Christ through acts of faith, hope, and charity. As active disciples, we engage in a "mission" mode of evangelization, forming disciples and inspiring others to do the same.

STRATEGIC VISION

We are a thriving community of disciples who see their role in the life and evangelizing mission of the Church, sustaining a parish school that continuously grows and increases its enrollment every year, and supporting a facility that architecturally highlights the beauty and spirituality of its broader community.

MISSION

We seek to be a community of active disciples who:

- *Are diverse, inclusive, and collaborative (Welcoming)*
- *Continuously grow and share their faith with all generations of spiritual seekers (Word)*
- *Are involved in a creative, vibrant liturgy (Worship)*
- *Are involved in areas of service that impact its broader community and the world (Witness)*
- *Have a strong sense of stewardship, evident in the parish's healthy finances, committed organization, and self-sustained ministries (Strengthening)*
- *Are unafraid to grow by remembering the past, celebrating the present, and believing in the future*

GOSPEL MEDITATION

Today we begin the beautiful season of Advent — a season of preparation. For what are we preparing? The celebration of the birth of our Savior, and the anticipation of His second coming.

These are weighty tasks with eternal consequences. So, let us as Christian stewards make the words of the Prophet Isaiah our motto for the season: “Come, let us climb the Lord’s mountain to the house of the God of Jacob, that he may instruct us in his ways and we may walk in his paths.”

In the weeks leading up to Christmas, it seems everywhere we turn we are pushed to spend more, do more, entertain more, and generally rush around at a frantic pace — all to create a “perfect” Christmas day. In contrast to this worldly pressure, the Church’s guidance to use these weeks as a time to focus on our spiritual lives can indeed seem like a mountain climb.

But the intentional and wise use of the gift of time is exactly what the Christian steward is called to do, and with even greater intensity during Advent.

How can we use our time to prepare for a holy celebration of Jesus’ birth on Dec. 25 and for his second coming at a date we do not know?

We can push back against the world’s pressure to have the “perfect Christmas.” Scale back on the material kind of gift-giving, the complicated menus, the unessential trappings of the season so that we have more time for the spiritual preparations: Confession, weekday Mass, adoration, family prayer time, lighting the Advent wreath, acts of kindness.

It may feel like a mountain climb, but in the end, we will be prepared to celebrate a truly meaningful Christmas, we will have become more like our Savior, and we will be ready for Him to come again. Let’s go climb the Lord’s mountain!

There is no need to wait until a person is at the point of death to receive the Sacrament. A careful judgment about the serious nature of the illness or frailty of old age is sufficient. To request, please call the parish office. Outside office hours, kindly call (408) 966-4612.
